FISCAL NOTE ANALYSIS

STATE OF ALASKA
2024 LEGISLATIVE SESSION**Analysis**

This bill amends AS 14.03 by adding a financial literacy education course as part of the public school system. This bill would add the requirement for all students in grade nine through 12 to complete a one-half credit hour financial literacy course. The Department of Education and Early Development (DEED) would be required to approve courses to meet this requirement.

This fiscal note contains three one-time expenses: 1) \$30.0 for stipends (\$1.5 each) for 20 educators and community stakeholders for participation in the development of a rubric to evaluate courses, and to complete the review based on the developed rubric; 2) \$35.0 to contract an education expert to facilitate the development of a rubric and evaluation of courses; and, 3) \$6.0 for legal fees to implement the necessary regulation changes.

DEED plans to hold the necessary stakeholder engagement meetings with participating educators and community stakeholders virtually and to publish the approved course list electronically on the DEED website.

This bill would take effect July 1, 2025 (FY2026).
