FISCAL NOTE ANALYSIS

STATE OF ALASKA
2024 LEGISLATIVE SESSION**Analysis**

This bill updates the correspondence study statutes by requiring additional data elements from correspondence programs that will be included in the annual State Board of Education's Report to the Legislature. It also outlines allowable and non-allowable expenditures for the student fund accounts that are used to provide materials to achieve the goals outlined in the individual learning plans.

The bill also removes language in AS 14.03.016(a), *A parent's right to direct the education of the parent's child*, that recognizes the authority of a parent to object to and withdraw their child from a standards-based assessment required by the state.

The fiscal impact of this bill is a one time expenditure of \$6.0 for the development of regulations with the Department of Law.
