

HOUSE JOURNAL
ALASKA STATE LEGISLATURE
THIRTY-THIRD LEGISLATURE
SECOND SESSION

Juneau, Alaska

Tuesday

January 16, 2024

First Day

The House was called to order by Speaker Tilton at 1:15 p.m.

Roll call showed 40 members present.

The following members of the Girl Scouts of Alaska presented the Colors and led the Pledge of Allegiance:

Maya Breedlove, Isabel Danner, Elizabeth DeBartolo, Jazmarie Haube-Law, Kimberly Klawonn, Zuri Klinger, Joya McClain, Sophia Owen, Aamie Tollett, Cora Williams, and Gabrielle Williams.

The invocation was offered by the Chaplain, Pastor Tari Stage-Harvey of Shepherd of the Valley Lutheran Church. Representative Vance moved and asked unanimous consent that the invocation be spread on the journal. There being no objection, it was so ordered.

As we welcome the 33rd Legislature into session on the birthday of the great bard of the North, Robert Service, may we hear his words as a blessing:

Our breath is brief, and being so let's make our heaven here below, and lavish kindness as we go.

Bless those who know the brevity of breath - all those facing death or life-threatening illness. We pray for families and loved ones of those gathered here today. Help us to treasure and prioritize the love in our lives even when so many other things pull us away.

Bless these servants who seek grace and justice in the here and now. Open these faithful people to new adventures and the possibility of growing and changing together. Give us a vision of your kingdom where wholeness and love reign, now and in the future.

Bless the lavish. We are thankful for all those who have been generous with time, money, or skills and invested in the community around them. Make our hearts big so we may pour that love out on our world and others.

Bless us with kindness. Embolden us with defiant spirits that refuse to give into petty bickering and divisiveness, but seek compassion and creative compromises. Help us see each other in our humanity and offer some laughter, hugs, and tears along the way.

Our breath is brief, and being so let's make our heaven here below, and lavish kindness as we go.

Amen.

CERTIFICATION OF THE JOURNAL

Representative Saddler moved and asked unanimous consent that the journal for the first legislative day of the First Special Session, the Final Supplement of the First Session and First Special Session, House Journal Supplement No. 6, and House and Senate Joint Journal Supplement No. 10 be approved as certified by the Chief Clerk. There being no objection, it was so ordered.

The Speaker appointed Representatives Coulombe and Groh to advise the Governor that the House is in session and ready to do business.

The Speaker appointed Representatives Baker and Hannan to advise the Senate that the House is in session and ready to do business.

The Speaker stated that the House would stand at ease; and so, the House stood at ease at 1:41 p.m.

AFTER AT EASE

The Speaker called the House back to order at 1:50 p.m.

Representative Coulombe reported that the Governor was notified that the House is in session and ready to do business.

Representative Baker reported that the Senate was notified that the House is in session and ready to do business.

"Dear Speaker Tilton:

Under the authority of Article III, Section 18, of the Alaska Constitution, I am transmitting a bill relating to commercial passenger vessel environmental compliance.

This bill is an overhaul of the commercial passenger vessel environmental compliance program created by ballot initiative in 2006. It replaces the Ocean Ranger on-board cruise ship monitoring program with a program designed by the Department of Environmental Conservation's (DEC) water and air quality technical staff that will be more efficient and effective in protecting Alaska's environment. It changes the statutory environmental compliance fee applied to commercial passenger vessels and provides options for an owner or operator of a commercial passenger vessel to reduce the environmental compliance fee by participating in electronic monitoring of wastewater discharge, applying for a rebate based on the vessel's total number of unoccupied lower berths in a year, or both. The bill also adjusts wastewater discharge definitions and aligns the commercial passenger vessel environmental compliance program within DEC's regulatory structure.

The proposal has delayed effective dates, particularly for small commercial vessels, that will allow for uniform implementation and time for the industry to come into compliance with the new law. It would remove and repeal many aspects of the existing chapter, while retaining the core structure and enabling DEC to adopt and implement regulations.

Finally, the bill creates a new wastewater infrastructure grant fund that would be available for municipal port communities that serve commercial passenger vessels to apply for and receive partial funding toward establishing, upgrading, or improving wastewater treatment systems or facilities.

I urge your prompt and favorable action on this measure.

Sincerely,

/s/

Mike Dunleavy
Governor"
