

HOUSE JOURNAL
ALASKA STATE LEGISLATURE
THIRTY-THIRD LEGISLATURE
SECOND SESSION

Juneau, Alaska

Tuesday

February 20, 2024

Thirty-sixth Day

Pursuant to adjournment the House was called to order by Speaker Tilton at 11:43 a.m.

Roll call showed 40 members present.

The invocation was offered by the Chaplain, Pastor Jonathan Fisher of Northland Bible Church. Representative Vance moved and asked unanimous consent that the invocation be spread on the journal. There being no objection, it was so ordered.

In the deepest respect of the religious beliefs of all Alaskans,
I ask you to pause with me in this prayer:

Father in Heaven, before the earth was created or the seas were formed, you were God. You created us in your image and desired a personal relationship with us. We now enter into your throne of mercy to ask for your guidance and wisdom for today.

Today is a day that has never been faced before by any Alaskan, and today's opportunities and challenges have never been presented to any other people. You are the God of today, so we humbly ask for your help today.

Please be with every Alaskan facing hardships today, and grant those who govern our state with the prudence to guide our next generation.

We are so grateful for the opportunity to serve on the behalf of every Alaskan. May you be honored with our decisions, for it is in the matchless name of Jesus Christ we pray. Amen.

The Pledge of Allegiance was led by Representative Saddler.

CERTIFICATION OF THE JOURNAL

Representative Saddler moved and asked unanimous consent that the journal for the 35th legislative day be approved as certified by the Chief Clerk. There being no objection, it was so ordered.

The high cost of these economic sectors hinders growth, entrepreneurship, and hiring in Alaska.

Alaska's cost of living is among the highest in the nation. This bill incentivizes the private sector to make strategic investments in the economic infrastructure necessary to attract a strong workforce, encourage entrepreneurship, and build a stronger Alaska.

I urge your prompt and favorable consideration of this legislation.

Sincerely,

/s/

Mike Dunleavy
Governor"

The following fiscal note(s) apply:

1. Zero, Dept. of Education & Early Development
2. Zero, Dept. of Health
3. Zero, Dept. of Health

The Governor's transmittal letter dated February 16 follows:

"Dear Speaker Tilton:

Under the authority of Article III, Section 18 of the Alaska Constitution, I am transmitting a bill relating to elimination of the individualized education program requirement for certain services furnished to Medicaid-eligible children by school districts.

This bill would align State law with revised guidance published by the Centers for Medicare and Medicaid (CMS) on May 18, 2023, regarding Medicaid payments for rehabilitative, mandatory, and optional services furnished to Medicaid-eligible children by school districts. These services are often referred to as school-based services, or SBS. The revised CMS guidance allows for Medicaid to pay for SBS provided in schools to Medicaid-eligible children with or without an individualized education program (IEP).

State law currently limits the Department of Health's ability to pay school districts for school-based services to those provided to an "eligible child with a disability" who requires the services as part of the child's IEP. This bill would allow payment to school districts for services provided to any Medicaid-eligible child by amending the

language that limits the payments to a "child with a disability" and by deleting the IEP requirement.

I urge your prompt and favorable action on this measure.

Sincerely,

/s/

Mike Dunleavy
Governor"

HB 344

HOUSE BILL NO. 344 by the House Rules Committee by request of the Governor, entitled:

"An Act relating to medical assistance demonstration projects established by the Department of Health."

was read the first time and referred to the Health & Social Services Committee.

The following fiscal note(s) apply:

1. Zero, Dept. of Health

The Governor's transmittal letter dated February 16 follows:

"Dear Speaker Tilton:

Under the authority of Article III, Section 18 of the Alaska Constitution, I am transmitting a bill relating to medical assistance demonstration projects established by the Department of Health (DOH).

This bill would allow DOH to apply for a Section 1115 waiver under 42 U.S.C. 1315(a) to establish one or more demonstration projects focused on addressing health-related needs and supportive services for Alaskans. The bill defines "health-related needs" to include social or economic conditions that contribute to an individual's poor health outcomes, such as nutrition and food security, workforce development, transportation, temporary housing, and case management. The goal of

the bill is to expand Medicaid payment eligibility in a manner that creates a bridge to independence for Alaskans in need by authorizing time-limited support services, preventing negative health outcomes, and avoiding unnecessary health care costs, thereby building the care economy in Alaska.

I urge your prompt and favorable action on this measure.

Sincerely,

/s/

Mike Dunleavy
Governor"
