

**HOUSE JOURNAL**  
**ALASKA STATE LEGISLATURE**  
**THIRTY-THIRD LEGISLATURE**  
**SECOND SESSION**

**Juneau, Alaska**

**Thursday**

**May 2, 2024**

**One Hundred Eighth Day**

Pursuant to adjournment the House was called to order by Speaker Tilton at 10:36 a.m.

Roll call showed 40 members present.

The invocation was offered by the Chaplain, Pastor Greg Weinert of Emmanuel Baptist Church. Representative Vance moved and asked unanimous consent that the invocation be spread on the journal. There being no objection, it was so ordered.

In deepest reverence for the beliefs of all Alaskans, I invite you into a time of reflection on our solemn covenant as servants of the people:

Our Father, creator of all, we praise your name. You have demonstrated insight when we have been blind, grace when we have been belligerent, and holiness when we have acted dishonorably.

We invoke your divine guidance on the people of this chamber. You have placed a great burden of service and stewardship upon them. We ask for strength and resolution in the tasks before them. Help inspire them to create in your image a state known not just for the immense beauty but also for a people of grace, equity, and unity.

Protect us all from the pettiness of partisanship, but preserve the courage of our conscious. Open our hearts and minds to

respect for you and your creation, including the dignity of the human soul. Teach us as a people to pursue justice, extend mercy, and to love not only our neighbors, but our enemies as well.

This we pray and petition, not to our glory, Lord, but to you and you alone. I pray this in the name of the Father, the Son, and the Holy Spirit. Amen.

The Pledge of Allegiance was led by Representative Ortiz.

### **CERTIFICATION OF THE JOURNAL**

Representative Saddler moved and asked unanimous consent that the journal for the 107th legislative day be approved as certified by the Chief Clerk. There being no objection, it was so ordered.

(a) The Department of Administration may obtain a policy or

policies of group insurance covering state employees, persons entitled to coverage under AS 14.25.168, 14.25.480, AS 22.25.090, AS 39.35.535, 39.35.880, or former AS 39.37.145, employees of other participating governmental units, or persons entitled to coverage under AS 23.15.136, subject to the following conditions:

(1) a group insurance policy shall provide one or more of the following benefits: life insurance, accidental death and dismemberment insurance, weekly indemnity insurance, hospital expense insurance, surgical expense insurance, dental expense insurance, audiovisual insurance, or other medical care insurance;

(2) each eligible employee of the state, the spouse and the unmarried children chiefly dependent on the eligible employee for support, and each eligible employee of another participating governmental unit shall be covered by the group policy, unless exempt under regulations adopted by the commissioner of administration;

(3) a governmental unit may participate under a group policy if

(A) its governing body adopts a resolution authorizing participation and payment of required premiums;

(B) a certified copy of the resolution is filed with the Department of Administration; and

(C) the commissioner of administration approves the participation in writing;

(4) in procuring a policy of group health or group life insurance as provided under this section or excess loss insurance as provided in AS 39.30.091, the Department of Administration shall comply with the dual choice requirements of AS 21.86.310, and shall obtain the insurance policy from an insurer authorized to transact business in the state under AS 21.09, a hospital or medical service corporation authorized to transact business in this state under AS 21.87, or a health maintenance organization authorized to operate in this state under AS 21.86; an excess loss insurance policy may be obtained from a life or health insurer authorized to transact business in this state under AS 21.09 or from a hospital or medical service corporation authorized to transact business in this state under AS 21.87;

(5) the Department of Administration shall make available bid specifications for desired insurance benefits or for

administration of benefit claims and payments to (A) all insurance carriers authorized to transact business in this state under AS 21.09 and all hospital or medical service corporations authorized to transact business under AS 21.87 who are qualified to provide the desired benefits; and (B) insurance carriers authorized to transact business in this state under AS 21.09, hospital or medical service corporations authorized to transact business under AS 21.87, and third-party administrators licensed to transact business in this state and qualified to provide administrative services; the specifications shall be made available at least once every five years; the lowest responsible bid submitted by an insurance carrier, hospital or medical service corporation, or third-party administrator with adequate servicing facilities shall govern selection of a carrier, hospital or medical service corporation, or third-party administrator under this section or the selection of an insurance carrier or a hospital or medical service corporation to provide excess loss insurance as provided in AS 39.30.091;

(6) if the aggregate of dividends payable under the group insurance policy exceeds the governmental unit's share of the premium, the excess shall be applied by the governmental unit for the sole benefit of the employees;

(7) a person receiving benefits under AS 14.25.110, AS 22.25, AS 39.35, or former AS 39.37 may continue the life insurance coverage that was in effect under this section at the time of termination of employment with the state or participating governmental unit;

(8) a person electing to have insurance under (7) of this subsection shall pay the cost of this insurance;

(9) for each permanent part-time employee electing coverage under this section, the state shall contribute one-half the state contribution rate for permanent full-time state employees, and the permanent part-time employee shall contribute the other one-half;

(10) a person receiving benefits under AS 14.25, AS 22.25, AS 39.35, or former AS 39.37 may obtain auditory, visual, and dental insurance for that person and eligible dependents under this section; the level of coverage for persons over 65 shall be the same as that available before reaching age 65 except that the benefits payable shall be supplemental to any

benefits provided under the federal old age, survivors, and disability insurance program; a person electing to have insurance under this paragraph shall pay the cost of the insurance; the commissioner of administration shall adopt regulations implementing this paragraph;

(11) a person receiving benefits under AS 14.25, AS 22.25, AS 39.35, or former AS 39.37 may obtain long-term care insurance for that person and eligible dependents under this section; a person who elects insurance under this paragraph shall pay the cost of the insurance premium; the commissioner of administration shall adopt regulations to implement this paragraph;

(12) each licensee holding a current operating agreement for a vending facility under AS 23.15.010 - 23.15.210 shall be covered by the group policy that applies to governmental units other than the state;

**(13) a group health insurance policy covering employees of a participating governmental unit must meet the requirements of AS 21.27.901 - 21.27.975 and AS 21.36.520, including requirements relating to administration and management of pharmacy benefits under the policy.**

\* Sec. 17. AS 39.30.091 is amended to read:

**Sec. 39.30.091. Authorization for self-insurance and excess loss insurance.** Notwithstanding AS 21.86.310 or AS 39.30.090, the Department of Administration may provide, by means of self-insurance, one or more of the benefits listed in AS 39.30.090(a)(1) for state employees eligible for the benefits by law or under a collective bargaining agreement and for persons receiving benefits under AS 14.25, AS 22.25, AS 39.35, or former AS 39.37, and their dependents. The department shall procure any necessary excess loss insurance under AS 39.30.090. **A self-insured group medical plan covering active state employees provided under this section is subject to the requirements of AS 21.27.901 - 21.27.975 and AS 21.36.520, including requirements relating to administration and management of pharmacy benefits under the plan.**

**Sec. 18.15.500. Information on vaccine.** (a) A health care

provider or health care facility that recommends or administers a vaccine to a patient shall, before administering the vaccine, provide to the patient or, if the patient is a minor, to the patient's parent or guardian information that identifies the risks and benefits of the vaccine based on the patient's health record and the right of the patient or, if the patient is a minor, the patient's parent or guardian to accept or refuse the vaccine.

(b) The information provided under (a) of this section must be in writing, must be signed by the patient or, if the patient is a minor, the patient's parent or guardian and must include

(1) the name and manufacturer of the vaccine;

(2) the ingredients of the vaccine, including adjuvants and excipients; in this paragraph,

(A) "adjuvant" means a substance that enhances the pharmacological effect of a drug or increases the ability of an antigen to stimulate the immune system;

(B) "excipient" means an ingredient that is intentionally added to a drug for a purpose other than the therapeutic or diagnostic effect at the intended dose;

(3) the Internet website of the manufacturer for access to the vaccine manufacturer's product insert for disclosed contraindications and adverse events and any related information;

(4) the Internet website of the United States Health Resources and Services Administration for access to the vaccine injury compensation program and the vaccine injury table and information regarding reports of adverse effects and recalls of vaccines;

(5) the Internet website of the United States Food and Drug Administration for access to vaccine recall information;

(6) information regarding patient exemption rights, including the right to an exemption from a vaccination for a medical, personal, religious, or other reason;

(7) information regarding rights concerning vaccination data collection by the department;

(8) information regarding limitations on liability for a person who administers a vaccine;

(9) information regarding incentives received by the health care provider or health care facility related to vaccination services;

(10) information regarding the risks of contracting the

disease or illness for which the vaccine is given;

(11) the name, manufacturer, and ingredients of any vaccine scheduled to be administered to the patient at a future appointment; and

(12) a notification of any potential right of action the patient may have against a vaccine manufacturer for an injury resulting from the vaccine that was not specified in the manufacturer's product insert.

(c) If the department publishes an advertisement that promotes a vaccine, the department shall list potential adverse reactions associated with the vaccine and identify persons for whom the Centers for Disease Control and Prevention, United States Department of Health and Human Services, recommends against receiving the vaccine.

(d) In this section,

(1) "health care facility" means an office or institution that provides care or treatment for physical, mental, emotional, dental, physiological, or psychological diseases or conditions;

(2) "health care provider" means an individual licensed, certified, or otherwise authorized or permitted by law to provide health care services; in this paragraph, "health care services" means care, treatment, a service, or a procedure to maintain, diagnose, or otherwise affect an individual's physical or mental condition;

(3) "minor" means an individual under 18 years of age whose disabilities have not been removed under AS 09.55.590;

(4) "vaccination" means treatment with a vaccine;

(5) "vaccine" means a substance

(A) used to stimulate the production of antibodies and provide immunity against a disease;

(B) prepared from the causative agent of a disease or its products or from a synthetic substitute;

(C) treated to act as an antigen to a disease without inducing the disease; and

(D) that is designed to be administered to a patient only after the patient gives voluntary and knowing consent to receive the substance or, if the patient is a minor, only after a parent or guardian of the minor gives voluntary and knowing consent to administer the substance to the minor."
