

SENATE JOURNAL
ALASKA STATE LEGISLATURE
THIRTY-THIRD LEGISLATURE
SECOND SESSION

Juneau, Alaska

Thursday

January 18, 2024

Third Day

Pursuant to adjournment the Senate was called to order by President Stevens at 11:02 a.m.

The roll showed nineteen members present. Senator Shower was absent.

The prayer was offered by the Chaplain, Reverend Gordon Blue, Holy Trinity Episcopal Church. Senator Hoffman moved and asked unanimous consent the prayer be spread. Without objection, it was so ordered.

Creator of life, redeemer of the afflicted and spirit of grace, in this season, the Epiphany, the Northern infancy of light, we celebrate our homes and ask your blessing upon them.

Make this building the home of blessings for all Alaskans, Let the mighty power of Justice be present in this place to banish from it every unclean spirit, to cleanse it from every residue of evil, and to make it a secure habitation for the home of Alaskan blessings. Let us pray.

Sovereign Lord, you are Alpha and Omega, the beginning and the end: Send your servants out from this place on many errands, be their constant companion in the way, and welcome them upon their return, so that coming and going they may be sustained by your presence.

Visit, O blessed Lord, this Senate with the gladness of your presence. Bless all who work here with the gift of your love; and grant that they may manifest your respect to each other and to all whose lives they touch. Let them make me a sanctuary, that I may dwell in their midst, says the Lord. Lift up your hands in the holy place. And bless the Lord. Amen.

Senator Claman led the Senate in the Pledge of Allegiance.

Certification

Senator Giessel moved and asked unanimous consent the journals for the first and second legislative days, the first day of the First Special Session, the Final Supplement for the First Session and First Special Session, Senate Journal Supplement No. 6 and House and Senate Joint Journal Supplement No. 10 be approved as certified by the Secretary. Without objection, it was so ordered.

Senator Hughes moved and asked unanimous consent Senator Shower be excused from a call of the Senate today. Without objection, Senator Shower was excused.

Introduction and Reference of Senate Bills

SB 190

SENATE BILL NO. 190 BY THE SENATE RULES COMMITTEE
BY REQUEST OF THE GOVERNOR, entitled:

"An Act relating to big game hunts for persons with
physical disabilities; and providing for an effective
date."

was read the first time and referred to the Resources Committee.

The following fiscal information was published today:

Fiscal Note No. 1, zero, Department of Fish and Game

January 18, 2024

1361

Governor's transmittal letter dated January 16:

Dear President Stevens:

Under the authority of Article III, Section 18 of the Alaska Constitution, I am transmitting a bill relating to big game hunts for persons with physical disabilities.

This bill would authorize the Board of Game to establish annual big game hunting seasons in appropriate areas of the State for persons with physical disabilities. Under existing law, a "person with physical disabilities" is one who provides documentation to the Department of Fish and Game that he or she receives at least 70 percent disability compensation from a government entity or an affidavit from an Alaska licensed physician that he or she is at least 70 percent physically disabled. A physically disabled person participating in a hunt authorized by the bill would be required to be accompanied by a licensed hunter capable of retrieving game.

In 2001, to encourage adults to take children hunting, the "Take-A-Child-Hunting" bill was enacted to allow the Board of Game to establish annual hunting seasons for children accompanied by family members to participate in big game hunts. This bill would create a similar opportunity for persons with physical disabilities to participate in big game hunts.

I urge your prompt and favorable action on this measure.

Sincerely,

/s/

Mike Dunleavy

SB 191

SENATE BILL NO. 191 BY THE SENATE RULES COMMITTEE
BY REQUEST OF THE GOVERNOR, entitled:

"An Act relating to the power of the Alaska Housing
Finance Corporation to make or purchase mortgage
loans."

was read the first time and referred to the Labor and Commerce
Committee.

The following fiscal information was published today:

Fiscal Note No. 1, zero, Department of Revenue

Governor's transmittal letter dated January 16:

Dear President Stevens:

Under the authority of Article III, Section 18 of the Alaska Constitution, I am transmitting a bill relating to the power of the Alaska Housing Finance Corporation (Corporation) to make or purchase mortgage loans for single family residences. This bill will provide Alaskans with greater access to quality housing by removing current restrictions on the Corporation's power to make, purchase, and participate in the purchase of first and second mortgage loans for single family residences.

The Corporation's primary business is to provide home loans to Alaskans. In making or purchasing these loans, the Corporation competes with government sponsored entities, including the Federal National Mortgage Association (Fannie Mae) which can offer home loans with down payments as low as three percent. However, many families in Alaska cannot qualify for a loan from a government sponsored entity and existing statutory restrictions prohibit the Corporation from purchasing or making a first mortgage loan that has a loan-to-value ratio that exceeds 95 percent. Removal of this limitation will allow the Corporation to modify its residential lending programs to provide additional loan opportunities for these families.

The bill would also simplify the Corporation's ability to make or purchase second mortgages by removing duplicative language regarding loan-to-value calculations and limits tied to loans purchased by Fannie Mae for similar housing. If the bill passes, simplified statutory language would prohibit the Corporation from making, purchasing, or participating in the purchase of a second mortgage on a single-family residence that, when combined with the principal balance of a first mortgage loan on the property, has a loan-to-value-ratio that exceeds 90 percent.

I urge your prompt and favorable action on this measure.

Sincerely,

/s/

SB 192

SENATE BILL NO. 192 BY THE SENATE RULES COMMITTEE
BY REQUEST OF THE GOVERNOR, entitled:

"An Act relating to screening reading deficiencies and providing reading intervention services to public school students enrolled in grades kindergarten through three."

was read the first time and referred to the Education and Finance Committees.

The following fiscal information was published today:

Fiscal Note No. 1, Department of Education and Early
Development

Governor's transmittal letter dated January 16:

Dear President Stevens:

Under the authority of Article III, Section 18 of the Alaska Constitution, I am transmitting a bill relating to screening reading deficiencies and providing reading intervention services to public school students enrolled in grades kindergarten through three.

This bill would make two amendments to the Alaska Reads Act (Chapter 40, SLA 2022 (HB 114)) designed to assist school districts with implementation of literacy screening assessments and scheduling of non-progression meetings with parents. The first change would align the Act's literacy screening requirements with best practices by requiring administration of the assessment three times a year for all students in grades kindergarten through three. The second change adjusts the statutory timeline for administration of the spring literacy screener to accommodate school district calendars by adjusting the time period during which the spring assessment and parent meeting are scheduled.

I urge your prompt and favorable action on this measure.

Sincerely,

SB 193

SENATE BILL NO. 193 BY THE SENATE RULES COMMITTEE
BY REQUEST OF THE GOVERNOR, entitled:

"An Act relating to sexual assault examination kits;
establishing the sexual assault examination kit
tracking system; and providing for an effective date."

was read the first time and referred to the State Affairs and Finance
Committees.

The following fiscal information was published today:

Fiscal Note No. 1, Department of Public Safety

Governor's transmittal letter dated January 16:

Dear President Stevens:

Under the authority of Article III, Section 18 of the Alaska
Constitution, I am transmitting a bill to establish timelines for
submitting sexual assault examination kits to the lab for testing and to

establish a sexual assault examination kit tracking system. The amendments in this bill will assist in the timely transmission and testing of sexual assault examination kits, as well as assist victims in tracking the kits associated with their cases.

When a sexual assault examination kit is used to collect evidence, it is the responsibility of law enforcement to submit that kit to the lab for testing. This means that if a health care provider uses a sexual assault examination kit to collect evidence, law enforcement is responsible for picking up the kit from the health care provider and submitting it to the lab. Current law contains timelines for law enforcement agencies to submit sexual assault examination kits to the lab for testing; however, the law does not include timelines for the health care providers who collect evidence using the kits to notify law enforcement that the kits are available for pickup.

Therefore, this legislation requires health care providers to notify law enforcement that a kit is available for pickup within seven days of using the kit to collect evidence. Adding this timeline for health care providers will help ensure that sexual assault examination kits do not sit awaiting pickup and submission longer than necessary. This will, in turn, help ensure that sexual assault examination kits are processed in a timelier manner as intended by the underlying statute.

Additionally, this legislation establishes a sexual assault examination kit tracking system. The tracking system will be used throughout the collection and testing process. Health care providers and law enforcement will be able to upload information about when a kit was collected and sent to the lab. The lab will also be able to update the information as the kit is processed for testing. Victims will have the ability to log into the system and see where the kit associated with their case is in the process. They may even elect to receive automated notifications as the kit moves through the process. Requiring the use of the sexual assault examination kit tracking system at every phase of the process will go a long way towards helping victims stay informed.

These changes will help ensure timely processing of important evidence and will help increase transparency and accountability as sexual assault examination kits move through the process. This is the least we can do for the victims of these horrendous crimes.

I urge your prompt and favorable action on this measure.

Sincerely,
/s/

SB 194

SENATE BILL NO. 194 BY THE SENATE RULES COMMITTEE
BY REQUEST OF THE GOVERNOR, entitled:

"An Act relating to temporarily reduced royalty on oil and gas from pools without previous commercial sales in the Cook Inlet sedimentary basin; and providing for an effective date."

was read the first time and referred to the Resources and Finance Committees.

The following fiscal information was published today:

Fiscal Note No. 1, indeterminate, Department of Natural Resources

Governor's transmittal letter dated January 16:

Dear President Stevens:

Under the authority of Article III, Section 18 of the Alaska Constitution, I am transmitting a bill relating to temporarily reduced royalty on oil and gas from pools with no previous commercial sales in the Cook Inlet sedimentary basin.

This bill is a key component of the State's efforts to incentivize and develop critical energy resources in the Cook Inlet. To meet the needs of the current environment, the bill modernizes a long-standing royalty reduction statute. The bill provides a royalty rate of five percent for oil or gas pools in the Cook Inlet sedimentary basin that have not previously produced oil or gas for commercial sale. The proposed statutory changes, similar to the existing framework, would apply to existing leases and future leases provided that the oil or gas pool has not previously produced for commercial sales and the lease is part of a unit. The payment of royalty on oil or gas at five percent under the bill would apply for 10 years following the commercial sale of that production.

The reduced royalty rate of five percent in the bill would not apply to leases that already have a royalty rate of five percent or less due to other incentives. The bill would not apply to leases issued with only net profit shares and no royalty rate.

This bill has an immediate effective date to allow the Department of Natural Resources to implement these incentives as soon as possible. This bill is part of my broader strategy for Cook Inlet and attracting investment to Alaska.

I urge your prompt and favorable action on this measure.

Sincerely,

/s/

Announcements

Announcements are at the end of the journal.

Adjournment

Senator Giessel moved and asked unanimous consent the Senate stand in adjournment until 11:00 a.m., January 22, 2024. Without objection, the Senate adjourned at 11:22 a.m.

Senate Reconvenes

The Senate was again called to order by President Stevens at 7:54 p.m.

The roll showed nineteen members present. Senator Shower was excused from a call of the Senate.

President Stevens stated the purpose of this floor session is to convene the Senate to immediately consider an invitation to meet in Joint Session to consider veto overrides. Though the Senate was adjourned, it is my ruling that convening the Senate takes precedence under Article II, Section 16 of the Alaska Constitution and Uniform Rule 51 over the previous adjournment, and that the Senate is properly convened.

Senator Giessel moved and asked unanimous consent the Senate move down the calendar to Messages from the House. Without objection, the Senate proceeded to:

Messages from the House

Message dated January 18 from Speaker Tilton was read stating:

The Senate is invited to meet with the House in a joint session on Thursday, January 18, 2024, at 8:00 p.m. for the purpose of voting to override the Governor's vetoes in accordance with Uniform Rule 51.

Senator Giessel moved and asked unanimous consent the Senate accept the invitation to meet in Joint Session. Without objection, it was so ordered.

The Secretary was requested to notify the House.

Recess

President Stevens stated the Senate would stand in recess to the Joint Session. There being no objection, the Senate recessed at 7:57 p.m.

After Recess

Joint Session in the House

Speaker Tilton called the House to order and in accordance with Uniform Rule 51 turned the gavel over to President Stevens, who called the Joint Session to order at 8:09 p.m.

The purpose of the Joint Session was to consider veto overrides.

The roll of the Senate was called and showed nineteen members present. Senator Shower was excused.

The roll of the House was taken and showed forty members present.

HB 39

Senator Giessel moved the appropriation on page 148, line 3 of SENATE CS FOR CS FOR HOUSE BILL NO. 39(FIN) am S become law notwithstanding the Governor's line item veto. Objections were heard.

The question being: "Shall the appropriation on page 148, line 3 in SENATE CS FOR CS FOR HOUSE BILL NO. 39(FIN) am S "An Act making appropriations for the operating and loan program expenses of state government and for certain programs; capitalizing funds; repealing appropriations; amending appropriations; making capital appropriations, supplemental appropriations, and reappropriations; and providing for an effective date" become law notwithstanding the Governor's line item veto?"
