Memorandum dated June 12 from Hilary V. Martin, Revisor of Statutes, was received stating:

In accordance with Rule 43, Uniform Rules of the Alaska State Legislature, I am reporting the following manifest error in HCS CSSB 147(L&C) am H, which has been corrected in enrolling.

In addition to more minor technical errors discovered in enrolling the above bill, section 18 has been given an immediate effective date to correct a manifest error. Section 18 extends the sunset of the Alaska senior benefits payment program from June 30, 2024, to June 30, 2034.

What is now section 18 was added by amendment 1, which was adopted on the House floor. Amendment 1 did not make any changes to the effective date of the bill. At the time amendment 1 was adopted, the underlying bill, HCS CSSB 147(L&C) had an immediate effective date. Therefore, when amendment 1 was adopted, section 18 had an immediate effective date. Amendment 2 was then adopted on the House floor, which changed the effective date for the entire bill to January 1, 2025. If section 18 were to take effect on January 1, 2025, the Alaska senior benefits payment program would have already expired before that date, thus making the legislature's action in adopting amendment 1 meaningless.

For these reasons, and in order to carry out the intent of the legislature in adopting amendment 1, section 18 has been given an immediate effective date in enrolling.

Memorandum from Division of Legal and Research Services, Legislative Affairs Agency, was received, reporting the following manifest errors in HOUSE CS FOR CS FOR SENATE BILL NO. 147(L&C) am H which have been corrected in enrolling:
