A BILL

FOR AN ACT ENTITLED

1 "An Act establishing taxes on the income of individuals, partners, shareholders in S
2 corporations, trusts, and estates; repealing tax credits applied against the tax on
3 individuals under the Alaska Net Income Tax Act; and providing for an effective date."

4 **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

5 * **Section 1.** AS 43.05.045(a) is amended to read:

6 (a) **Except as provided in AS 43.22.075(h), unless** [UNLESS] an exemption
7 is granted under (b) of this section, a taxpayer required to submit a return or report for
8 a tax levied under this title or for any other tax administered by the department shall
9 submit the return or report electronically in a format prescribed by the department.
10 Failure to comply with this section may result in a civil penalty under
11 AS 43.05.220(f). If a law under this title requires a report or return or a portion of a
12 report or return to be in writing, an electronically filed report or return satisfies this
13 section. A taxpayer shall submit attachments to a report or return required under this
14 title electronically.

1 * **Sec. 2.** AS 43 is amended by adding a new chapter to read:

2 **Chapter 22. Individual Income Taxes.**

3 **Sec. 43.22.010. Income tax on individuals.** (a) Each calendar year or fraction
4 of a calendar year, a tax is imposed on the income of a

5 (1) resident individual, trust, or estate;

6 (2) nonresident individual, trust, or estate that is derived from or
7 connected with a source in the state.

8 (b) The tax under this section is four percent of taxable income over \$150,000
9 for an individual who files a separate federal income tax return or four percent of
10 taxable income over \$300,000 for individuals who file a joint federal income tax
11 return.

12 (c) Two individuals who file a joint federal income tax return when both or
13 one of whom is not a resident may elect to determine the tax imposed by this section
14 either

15 (1) individually; or

16 (2) jointly as if both individuals were residents; the income of the
17 individuals filing jointly under this paragraph is not subject to the calculation under
18 AS 43.22.015.

19 **Sec. 43.22.012. Annual education tax.** In addition to the tax under
20 AS 43.22.010, each individual who has wages, net earnings from self-employment, or
21 combined wages and net earnings from self-employment in the state shall pay a tax of
22 \$150 each year. In this section, "net earnings from self-employment" has the meaning
23 given in 26 U.S.C. 1402.

24 **Sec. 43.22.015. Calculation of tax on a nonresident individual.** (a) Except as
25 otherwise provided in (b) of this section, the tax on a nonresident individual is the
26 product of

27 (1) the tax determined under AS 43.22.010(b) on the nonresident
28 individual's taxable income computed as if the nonresident individual were a resident
29 individual; and

30 (2) a fraction, the

31 (A) numerator of which is the nonresident individual's income

1 taxable under AS 43.22.045; and

2 (B) denominator of which is the nonresident individual's
3 taxable income computed as if the nonresident individual were a resident
4 individual.

5 (b) If a nonresident individual's taxable income computed under (a)(2)(B) of
6 this section is less than the nonresident individual's income taxable under (a)(2)(A) of
7 this section, the tax imposed by AS 43.22.010 is on the nonresident individual's
8 taxable income as computed under AS 43.22.045.

9 **Sec. 43.22.020. Income tax on trusts and estates.** (a) A tax is imposed for
10 each taxable year or portion of a taxable year on the taxable income of a resident or
11 nonresident trust or estate. The tax under this section for a trust or estate is four
12 percent of taxable income over \$150,000.

13 (b) In this section, the taxable income of a nonresident trust or estate is the
14 income of the trust or estate that is derived from or connected with a source in the
15 state.

16 (c) A trust is not subject to tax under this chapter if

17 (1) all of the trustees of the trust are nonresidents;

18 (2) the entire corpus of the trust, including real, tangible, and
19 intangible property, is located outside the state; and

20 (3) no income or gains of the trust are derived from or connected with
21 a source in the state.

22 (d) For purposes of (c)(1) of this section, a trustee that is a nonresident
23 banking corporation at the time the banking corporation becomes a trustee is a
24 nonresident trustee even if the banking corporation later becomes a resident trustee
25 because it is acquired by or becomes an office or branch of a resident trustee.

26 (e) A trust that is exempt from federal income tax because of its purpose or
27 activities is not subject to tax under this chapter.

28 (f) A special needs trust or other trust established to provide solely for the
29 housing, living expenses, or medical care of a disabled beneficiary is not subject to tax
30 under this chapter. In this subsection,

31 (1) "disabled beneficiary" means an individual who has

1 (A) a physical or mental impairment that substantially limits
2 one or more major life activities; or

3 (B) a condition that may require the use of a prosthesis, special
4 equipment for mobility, or a service animal;

5 (2) "special needs trust" has the meaning given in AS 13.36.215(b).

6 **Sec. 43.22.022. Annual education tax on trusts.** In addition to the tax under
7 AS 43.22.020, each resident or nonresident trust or estate shall pay an annual tax of
8 \$150.

9 **Sec. 43.22.025. Credit for taxes imposed by other jurisdictions.** (a) A
10 resident individual, trust, or estate or part-year resident individual, trust, or estate is
11 allowed a credit against the taxes due under this chapter for an income tax that was
12 imposed on the resident or part-year resident for the taxable year by another state or
13 the political subdivision of another state on income derived from or connected with
14 that state or political subdivision.

15 (b) A credit allowed under (a) of this section

16 (1) for a resident individual, trust, or estate may not exceed the
17 individual's, trust's, or estate's taxes due under this chapter before credits are applied,
18 multiplied by a fraction, the numerator of which is the portion of the individual's,
19 trust's, or estate's taxable income that is derived from or connected with a source in
20 another state or the political subdivision of another state and the denominator of which
21 is the resident individual's, trust's, or estate's taxable income;

22 (2) for a part-year resident individual, trust, or estate may not exceed
23 the individual's, trust's, or estate's tax due for the period of state residency before
24 credits are applied, multiplied by a fraction, the numerator of which is the individual's,
25 trust's, or estate's taxable income derived from or connected with a source in another
26 state or the political subdivision of another state during the period of state residency
27 and the denominator of which is the part-year resident individual's, trust's, or estate's
28 taxable income during the period of state residency;

29 (3) may not reduce the taxes due under this chapter to less than the
30 taxes that would have been due if the income derived from or connected with a source
31 in another state or the political subdivision of another state and subject to taxation by

1 the other state or political subdivision had been excluded from the resident or part-year
 2 resident individual's, trust's, or estate's taxable income during the calculation of taxes
 3 under this chapter before the application of credits.

4 (c) If the tax administration of another state or a political subdivision of
 5 another state determines that a taxpayer has overpaid tax, affecting the computation of
 6 the credit allowed under this section for any taxable year, the taxpayer shall file an
 7 amended return with the department not later than 90 days after the final determination
 8 by the state or political subdivision that the tax was overpaid. The department may
 9 assess a taxpayer additional tax, proportional to the amount overpaid in the other state
 10 or political subdivision.

11 (d) A taxpayer is not allowed a credit under this section for taxes paid to
 12 another jurisdiction if the taxpayer claims a credit against the income tax imposed by
 13 the other jurisdiction for the tax payable under this chapter.

14 (e) Income tax imposed on a partner or the shareholder of an S corporation on
 15 the income of the partnership or S corporation, including tax paid by the partnership or
 16 S corporation to satisfy the tax liability of the partner or shareholder, may be included
 17 in the calculation of a credit under this section. Tax imposed on the partnership or S
 18 corporation that is the direct liability of the partnership or S corporation and not that of
 19 the partner or shareholder may not be included in the calculation of a credit under this
 20 section.

21 **Sec. 43.22.030. Taxable income; general rule.** (a) In this chapter, taxable
 22 income is the taxpayer's federal adjusted gross income for the taxable year

23 (1) plus, if not already included in federal adjusted gross income,

24 (A) interest on obligations of another state, a political
 25 subdivision of another state, the public instrumentality of another state, or the
 26 local authority of another state;

27 (B) a loss on the sale or exchange of an obligation issued by or
 28 on behalf of

29 (i) the state;

30 (ii) a municipality of the state; or

31 (iii) a public instrumentality, public authority, or public

1 corporation created under state law;

2 (C) a loss from the sale or exchange of shares in a unit
3 investment trust if the loss is attributable to an obligation issued by or on
4 behalf of

5 (i) the state;

6 (ii) a municipality of the state; or

7 (iii) a public instrumentality, public authority, or public
8 corporation created under state law;

9 (D) interest or dividends on obligations or securities issued by
10 the United States, or an authority, commission, or instrumentality of the United
11 States, that the Internal Revenue Code exempts from federal income tax;

13 (F) a gain realized but not recognized under 26 U.S.C. 1031
14 (Internal Revenue Code);

15 (G) a deduction allowed in the determination of federal
16 adjusted gross income that is directly or indirectly related to income that is not
17 taxable under this chapter; and

18 (H) income of an incomplete gift nongrantor trust to which a
19 taxpayer transferred property, less deductions of the trust, if

20 (i) the income and deductions of the trust would be
21 taken into account in computing the taxpayer's federal taxable income
22 if the trust in its entirety was treated as a grantor trust under the Internal
23 Revenue Code;

24 (ii) the trust is a resident trust;

25 (iii) the trust does not qualify as a grantor trust under 26
26 U.S.C. 671 - 679 (Internal Revenue Code); and

27 (iv) the grantor's transfer of assets to the trust is treated
28 as an incomplete gift under 26 U.S.C. 2511 (Internal Revenue Code);

29 (2) minus, if included in federal adjusted gross income,

30 (A) interest income or a dividend from an obligation that is
31 exempt from taxation by a state under federal law;

- 1 (B) a refund or credit for the overpayment of an income tax;
- 2 (C) an ordinary and necessary expense, including an interest
3 expense, paid or incurred during the taxable year, that is directly or indirectly
4 related to income exempt under the Internal Revenue Code but taxable by the
5 state;
- 6 (D) a gain recognized under 26 U.S.C. 1031 (Internal Revenue
7 Code) that was included in federal adjusted gross income under (1) of this
8 subsection;
- 9 (E) income exempt under 4 U.S.C. 114;
- 10 (F) compensation prohibited from state taxation by 50 U.S.C.
11 3901 - 4043 (Servicemembers Civil Relief Act);
- 12 (G) a gain from the sale or exchange of an obligation issued by
13 or on behalf of
- 14 (i) the state;
- 15 (ii) a municipality of the state; or
- 16 (iii) a public instrumentality, public authority, or public
17 corporation created under state law;
- 18 (H) a permanent fund dividend received by the taxpayer or the
19 taxpayer's dependent under AS 43.23;
- 20 (I) the amount of state or municipal real property tax paid by an
21 individual on the individual's primary residence in the state.
- 22 (b) When calculating taxable income, a taxpayer
- 23 (1) may not carry back a net operating loss under 26 U.S.C.
24 172(b)(1)(A)(i) (Internal Revenue Code);
- 25 (2) may carry over a net operating loss under 26 U.S.C.
26 172(b)(1)(A)(ii) (Internal Revenue Code), except that a loss may not be carried over
27 for more than five years; for a taxpayer subject to AS 43.19 (Multistate Tax Compact),
28 the amount of a net operating loss allowed to be carried over is limited to the amount
29 apportioned to the state in the taxable year in which the loss was generated under
30 AS 43.19 (Multistate Tax Compact);
- 31 (3) shall include the modifications required by AS 43.20.144(b)(2),

1 concerning intangible drilling and development costs, AS 43.20.144(b)(3), concerning
2 percentage depletion, and AS 43.20.144(b)(4), concerning depreciation.

3 **Sec. 43.22.035. Taxable income from partnerships and S corporations.** (a)

4 A partner or shareholder shall make an adjustment described in AS 43.22.030 to
5 income or a gain, loss, or deduction from a partnership or S corporation in proportion
6 to a partner's distributive share of a partnership or a shareholder's pro rata share of an
7 S corporation. If a partner's distributive share or a shareholder's pro rata share of an
8 adjustment is not required to be accounted for separately for federal income tax
9 purposes, the partner's or shareholder's share of the adjustment must be determined in
10 proportion to the partner's or shareholder's share of partnership or S corporation
11 income or losses for federal income tax purposes.

12 (b) In determining taxable income, a partner or shareholder shall treat income
13 or a gain, loss, or deduction from a partnership or S corporation as if it has the same
14 character as it does for federal income tax purposes. If income or a gain, loss, or
15 deduction from a partnership or S corporation is not accounted for separately for
16 federal income tax purposes, a partner or shareholder shall treat the income, gain, loss,
17 or deduction as if it were realized directly from the source from which it was realized
18 by the partnership or S corporation or incurred in the same manner it was incurred by
19 the partnership or S corporation.

20 (c) If the principal purpose of a special allocation of partnership income or a
21 gain, loss, or deduction is the evasion of tax under this chapter, the partner's
22 distributive share is determined as if the partnership agreement did not have the
23 special allocation. In this subsection, "special allocation" means an allocation of the
24 distributive share of partnership income or a gain, loss, or deduction made under the
25 partnership agreement to a partner in a proportion different than the partner's
26 partnership interest.

27 **Sec. 43.22.040. Taxable income of an estate, trust, or beneficiary.** (a) The
28 taxable income of an estate or trust is determined as if the estate or trust were an
29 individual and is subject to adjustments under AS 43.22.030 and reduction under 26
30 U.S.C. 661 (Internal Revenue Code). The department may establish in regulation the
31 method for determining the taxable income of an estate or trust, including the manner

1 in which the adjustments under AS 43.22.030 will be allocated between the estate's or
2 trust's taxable share and a beneficiary's distributive share. Unless otherwise provided
3 by the department in regulation, an allocation must be made in proportion to the
4 estate's or trust's taxable share or the beneficiary's distributive share of the trust or
5 estate for federal income tax purposes.

6 (b) If the principal purpose of a provision of an instrument directing the
7 distribution of income or a gain, loss, or deduction of an estate or trust is the evasion
8 of tax under this chapter, the taxable income of the estate, trust, or beneficiary shall be
9 determined as if the instrument did not contain the provision.

10 **Sec. 43.22.045. Nonresident individuals; income derived from or**
11 **connected with a source in the state.** (a) The taxable income of a nonresident
12 individual is the nonresident individual's income derived from or connected with a
13 source in the state, as adjusted under AS 43.22.030. The taxable income of a
14 nonresident individual includes

15 (1) a partner's distributive share of income or a gain, loss, or deduction
16 of the partnership, as determined under AS 43.22.050;

17 (2) a shareholder's pro rata share of an S corporation's income or loss,
18 increased by the reductions for taxes described in 26 U.S.C. 1366(f)(2) and (3)
19 (Internal Revenue Code), as determined under AS 43.22.050;

20 (3) income or loss of a business conducted by a nonresident individual,
21 nonresident estate, or nonresident trust, other than income or loss from a partnership or
22 S corporation, as determined under AS 43.22.050;

23 (4) estate or trust income or a gain, loss, or deduction of the estate or
24 trust, as determined under AS 43.22.055;

25 (5) income or a gain, loss, or deduction from the sale or assignment of
26 a beneficial interest, or other disposition of an interest in tangible personal property in
27 the state, or rental income or loss from the use of tangible personal property in the
28 state; if the income, gain, loss, or deduction is from tangible personal property used or
29 employed both in and outside the state, the amount included in taxable income is
30 determined by multiplying the income, gain, loss, or deduction by a fraction, the
31 numerator of which is the number of days during which the property was used or

1 employed to earn, accrue, or incur the income, gain, loss, or deduction in the state and
 2 the denominator of which is the total number of days during the taxable year that the
 3 property was used or employed to earn, accrue, or incur the income, gain, loss, or
 4 deduction;

5 (6) income or a gain, loss, or deduction from the sale, assignment, or
 6 other disposition of an interest in real property in the state, or rental income or loss
 7 from the use of real property in the state, including the percentage of ordinary and
 8 capital gains received from a real estate investment trust, as defined in 26 U.S.C. 856
 9 (Internal Revenue Code), that is attributable to rents from or sale or other disposition
 10 of real property located in the state; in this paragraph, income or a gain, loss, or
 11 deduction from the sale, assignment of a beneficial interest, or other disposition of real
 12 property in the state includes income or a gain, loss, or deduction derived from the sale
 13 or assignment of a beneficial interest in a partnership, S corporation, nonpublicly
 14 traded C corporation with 100 or fewer shareholders, estate, or trust, if the entity owns
 15 real property in the state that has a fair market value equal to or exceeding 50 percent
 16 of all assets of the entity on the date of sale, assignment, or other disposition of the
 17 taxpayer's interest in the entity; for purposes of this paragraph,

18 (A) only assets owned for at least two years before the date of
 19 the sale, assignment, or other disposition of an interest in the entity shall be
 20 used to determine the fair market value of all of the assets of the entity on the
 21 date of sale, assignment, or other disposition; and

22 (B) the amount of income or a gain, loss, or deduction derived
 23 from or connected with a source in the state from the sale, assignment, or other
 24 disposition of an interest in an entity that is subject to the provisions of this
 25 paragraph is the amount recognized for federal income tax purposes related to
 26 the sale, assignment, or disposition, multiplied by a fraction, the numerator of
 27 which is the fair market value of the real property located in the state on the
 28 date of sale, assignment, or disposition and the denominator of which is the fair
 29 market value of all of the assets of the entity on the date of the sale,
 30 assignment, or disposition;

31 (7) compensation, salary, or wages for personal services rendered or

1 performed in the state that are derived from a business, trade, profession, occupation,
2 or employment carried on in the state; for purposes of this paragraph, personal
3 services

4 (A) except as otherwise provided in (B) of this paragraph,
5 include services performed

6 (i) in connection with presenting or receiving
7 employment-related training or education in the state;

8 (ii) in connection with a site inspection, review,
9 analysis, or management or any other supervision of a facility located
10 in the state;

11 (iii) in connection with research and development at a
12 facility located in the state or in connection with the installation of new
13 or upgraded equipment or systems at that facility;

14 (iv) as part of a project team working on the attraction
15 or implementation of new investment in a facility located or planned to
16 be located in the state;

17 (v) in connection with fishing, farming, or agriculture in
18 the state; or

19 (vi) for the federal government;

20 (B) do not include services that are casual, isolated,
21 inconsequential, or ancillary to out-of-state services;

22 (8) income derived from a business, trade, profession, occupation, or
23 employment carried on in the state, including income

24 (A) received under a covenant not to compete, a severance
25 agreement, a termination agreement, or unemployment compensation
26 insurance attributable to a business, trade, profession, occupation, or
27 employment previously carried on in the state, regardless of when received;

28 (B) derived from a business, trade, profession, occupation, or
29 employment carried on in the state by an individual who maintains or operates
30 an office, shop, store, warehouse, boat, plane, factory, agency, or other place
31 where the individual's affairs are systematically and regularly carried on,

1 regardless of other transactions carried on outside the state; this subparagraph
2 does not include income from an activity of an individual whose presence in
3 the state is casual, isolated, inconsequential, or ancillary to out-of-state
4 activities, except that, if a business, trade, profession, occupation, or
5 employment is carried on partly in and partly outside the state, other than for
6 the rendering of purely personal services by the individual, the taxable income
7 derived from or connected with a source in the state is determined under
8 AS 43.19 (Multistate Tax Compact) and AS 43.22.030;

9 (9) income from the management or investment function or activities
10 conducted in the state from intangible property;

11 (10) dividends, interest, payments received under an annuity, gains, or
12 other intangible income received from, or attributable to, intangible personal property,
13 including stock, bonds, notes, bank deposits, or annuities, if the intangible personal
14 property is employed in a business, trade, profession, occupation, or employment
15 carried on in the state;

16 (11) a gain derived from a statutory stock option, restricted stock,
17 nonstatutory stock option, or stock appreciation right by a nonresident individual who,
18 at the time the gain is received, performs services in the state for or is employed in the
19 state by the corporation granting the option, stock, or right, as determined in
20 regulations adopted by the department;

21 (12) income from nonqualified deferred compensation plans
22 attributable to services performed in the state, including compensation included in
23 federal gross income under 26 U.S.C. 457A (Internal Revenue Code);

24 (13) proceeds from a gambling activity conducted in the state or lottery
25 tickets purchased in the state, including payments received from a third party for the
26 transfer of the rights to future proceeds related to a gambling activity in the state or
27 lottery tickets purchased in the state;

28 (14) for an S corporation that terminates its taxable status in the state
29 during the tax year, income or a gain recognized on the receipt of payments from an
30 installment sale contract entered into at the time the S corporation was subject to tax in
31 the state, allocated in a manner consistent with the applicable methods and rules under

1 this chapter;

2 (15) royalties or other compensation received for the use of a patent,
3 copyright, secret process or formula, good will, mark, trade brand, franchise, or other
4 property having a taxable or business situs in the state;

5 (16) royalties or other compensation received for the use of a patent if
6 the patent is employed in production, fabrication, manufacturing, or other process in
7 the state;

8 (17) income or a gain from the disposition of an asset if the
9 acquisition, management, or disposition of the asset constitutes an integral part of the
10 nonresident individual's regular trade or business operation;

11 (18) income from the transmission, broadcast, distribution, or
12 dissemination of a service directly or indirectly attributable to the performance in the
13 state of an athlete, entertainer, singer, musician, dancer, comedian, magician,
14 performing artist, actor, actress, or similar person, including syndication fees.

15 (b) A deduction included in taxable income that results from a capital loss,
16 passive activity loss, or net operating loss must be based solely on income or a gain,
17 loss, or deduction derived from or connected with a source in the state. A nonresident
18 individual shall treat a deduction under this subsection in the same manner as the
19 corresponding federal deduction, unless the department requires otherwise in
20 regulation.

21 **Sec. 43.22.050. Business conducted by a nonresident individual, trust, or**
22 **estate; income derived from or connected with a source in the state.** (a) The
23 department shall adopt regulations governing the amount of income or the amount of a
24 gain, loss, or deduction from a business conducted by a nonresident individual, trust,
25 or estate that is derived from or connected with a source in the state for purposes of
26 determining taxable income. Regulations adopted under this subsection must be
27 consistent with AS 43.19 (Multistate Tax Compact) and AS 43.22.045 and include
28 adjustments under AS 43.22.030.

29 (b) The department shall adopt regulations governing the amount of income or
30 the amount of a gain, loss, or deduction that is derived from or connected with a
31 source in the state and is included in a nonresident

1 (1) partner's distributive share for purposes of taxation under this
2 chapter;

3 (2) shareholder's pro-rata share of an S corporation for purposes of
4 taxation under this chapter.

5 (c) The department may by regulation require a taxpayer to allocate rather
6 than apportion income or a gain, loss, or deduction under this section.

7 **Sec. 43.22.055. Nonresident trust, estate, or beneficiary; income derived**
8 **from or connected with a source in the state.** (a) The department shall adopt
9 regulations governing whether income or a gain, loss, or deduction of a nonresident
10 estate or nonresident trust is included in taxable income derived from or connected
11 with a source in the state. Regulations adopted under this subsection must be
12 consistent with the remainder of this section and AS 43.22.045.

13 (b) A nonresident beneficiary shall include in taxable income derived from or
14 connected with a source in the state a distribution from an estate or trust as if the
15 nonresident beneficiary earned or incurred the income or a gain, loss, or deduction
16 attributable to the distribution directly from the source. For purposes of this
17 subsection, the department may establish one or more methods for a nonresident
18 beneficiary to determine whether income or a gain, loss, or deduction is attributable to
19 a distribution. The department shall consistently apply a method from year to year and
20 apply the same method to other nonresident beneficiaries of the same trust or estate.
21 Nothing in this subsection requires the department to give effect to a provision of an
22 instrument creating an estate or trust if the department reasonably believes that the
23 principal purpose of the provision is to evade the tax imposed under this chapter.

24 **Sec. 43.22.060. Part-year resident individual, trust, or estate; residency**
25 **income; income derived from or connected with a source in the state.** (a) Except as
26 otherwise provided in this section, the taxable income of a part-year resident
27 individual, trust, or estate is the sum of

28 (1) the taxable income of the part-year resident individual, trust, or
29 estate during the period of residency; and

30 (2) the taxable income derived from or connected with a source in the
31 state for the period of nonresidency of the individual, trust, or estate.

1 (b) The department shall adopt regulations to determine the taxable income of
 2 a part-year resident taxpayer who is granted a statutory stock option, restricted stock,
 3 nonstatutory stock option, or a stock appreciation right and who, during the grant
 4 period, performs services in the state for, or is employed in the state by, the
 5 corporation granting the option, stock, or right.

6 **Sec. 43.22.065. Personal service corporations and S corporations formed**
 7 **or used to evade tax.** (a) The department may allocate all income, deductions, credits,
 8 exclusions, and other allowances between a personal service corporation or S
 9 corporation and its employee-owners if the

10 (1) personal service corporation or S corporation performs
 11 substantially all of its services for or on behalf of another corporation, partnership, or
 12 other entity and the effect is the evasion of the tax under this chapter; and

13 (2) allocation is necessary to reflect the source and amount of the
 14 income, regardless of whether the corporation is otherwise taxable.

15 (b) For purposes of this section, evasion of the tax under this chapter occurs
 16 when a personal service corporation or S corporation is used to

17 (1) reduce the taxable income of a resident or the taxable income of a
 18 nonresident derived from or connected with a source in the state; or

19 (2) secure the benefit of an expense, deduction, credit, exclusion, or
 20 other allowance for any employee-owner that would not otherwise apply under this
 21 chapter.

22 (c) The constructive ownership of stock rules under 26 U.S.C. 318 (Internal
 23 Revenue Code) apply to this section, except that "5 percent" shall be substituted for
 24 "50 percent" in 26 U.S.C. 318(a)(2)(C) (Internal Revenue Code).

25 (d) In this section, all persons specified in 26 U.S.C. 267(b) (Internal Revenue
 26 Code) shall be treated as one entity.

27 (e) In this section,

28 (1) "employee-owner" means any employee who owns, on any day
 29 during the taxable year, more than 10 percent of the outstanding stock of a personal
 30 service corporation or S corporation;

31 (2) "personal service corporation" means a corporation whose principal

1 activity is the performance of personal services that are substantially performed by the
2 employee-owners of the corporation.

3 **Sec. 43.22.070. Determination of taxable year and method of accounting.**

4 (a) For purposes of the taxes imposed under this chapter, a taxpayer's

5 (1) taxable year is the same as the taxpayer's taxable year for federal
6 income tax purposes; and

7 (2) method of accounting is the same as the taxpayer's method of
8 accounting for federal income tax purposes.

9 (b) The department shall adopt regulations to determine the taxable income of
10 a taxpayer whose method of accounting changes during a taxable year or between
11 taxable years.

12 **Sec. 43.22.075. Returns and payment of taxes.** (a) A taxpayer shall file with
13 the department a return setting out

14 (1) the amount of tax due under this chapter; and

15 (2) other information necessary to carry out this chapter, as required by
16 the department in regulation.

17 (b) A person required to file a return under this chapter shall file the return on
18 a form or in a format prescribed by the department. The return is due to the department
19 at the same time and in the same manner, including extensions, as the taxpayer's
20 federal income tax return to the United States Internal Revenue Service. A return filed
21 under this chapter must be made under oath and on penalty of perjury.

22 (c) The total amount of tax imposed by this chapter is due and payable to the
23 department at the same time and in the same manner as the federal individual income
24 tax payable to the United States Internal Revenue Service.

25 (d) A taxpayer, upon request by the department, shall furnish to the
26 department a true and correct copy of a return that the taxpayer has filed with the
27 United States Internal Revenue Service.

28 (e) A taxpayer shall notify the department in writing of an alteration in, or
29 modification of, the taxpayer's federal income tax return and of a recomputation of tax
30 or determination of deficiency, whether with or without assessment. A full statement
31 of the facts must accompany the notice. A taxpayer shall file the notice not later than

1 60 days after the final determination of the alteration, modification, recomputation, or
 2 deficiency and shall pay any additional tax due under this chapter at that time. In this
 3 subsection, "final determination" means the time that an amended federal return is
 4 filed, a notice of deficiency or an assessment is mailed to the taxpayer by the Internal
 5 Revenue Service, and the taxpayer has exhausted rights of appeal under federal law.

6 (f) The department may credit or refund overpayments of taxes, taxes
 7 erroneously or illegally assessed or collected, penalties collected without authority,
 8 and taxes that are found unjustly assessed or excessive in amount, or otherwise
 9 wrongfully collected. The department shall, in regulation, set limitations, specify the
 10 manner in which claims for credits or refunds are made, and give notice of allowance
 11 or disallowance. When a refund is allowed to a taxpayer, the refund may be paid out
 12 of the general fund on a warrant issued under a voucher approved by the department.

13 (g) A partnership, S corporation, estate, or trust shall provide to its partners,
 14 beneficiaries, or shareholders, and to the department, all information necessary for its
 15 partners, beneficiaries, and shareholders to comply with this chapter.

16 (h) An individual is not required to file a return under this section
 17 electronically, but a person employed to prepare and file a tax return under this section
 18 for an individual shall file the return for that individual electronically.

19 (i) The department shall adopt regulations that set out requirements for a
 20 spouse, upon request, to be partially or fully relieved from joint and several liability
 21 resulting from the joint filing of a tax return.

22 **Sec. 43.22.080. Tax withholding on wages of individuals.** (a) Every
 23 employer making payment of wages or salaries

24 (1) shall, except as provided in (c) of this section, deduct and withhold
 25 an amount of tax computed in a manner to approximate the amount of tax due on those
 26 wages and salaries under this chapter for that taxable year;

27 (2) shall remit the tax withheld to the department accompanied by a
 28 return on a form prescribed by the department at the times required by the department
 29 by regulation;

30 (3) is liable for the payment of the tax required to be deducted and
 31 withheld under this section but is not liable to any individual for the amount of the

1 payment; and

2 (4) shall furnish to an employee on or before January 31 of the
3 succeeding year, or within 30 days after a request by the employee after an employee's
4 or individual's termination if the 30-day period ends before January 31, a written
5 statement on a form prescribed by the department showing

6 (A) the name and taxpayer identification number of the
7 employer;

14 section.

15 (c) An employer shall deduct and withhold the tax due under AS 43.22.012
16 from an employee's wages subject to withholding from the first regular payroll of the
17 calendar year. If the employee's first payroll is insufficient to cover the estimated tax
18 due, the employer shall continue to deduct and withhold from subsequent payrolls
19 until the tax due under this subsection is fully withheld. A self-employed individual
20 shall remit to the department the tax due under this subsection in accordance with
21 regulations adopted by the department.

22 **Sec. 43.22.085. Withholding on nonresident partners; composite returns.**

23 (a) Unless otherwise provided by this section, a partnership that is required to file an
24 annual information return under subchapter K of the Internal Revenue Code (26
25 U.S.C. 701 - 761) shall file a partnership return as prescribed by the department and
26 shall report any income, gains, losses, or deductions that are derived from or
27 connected with a source in the state, as determined under this chapter.

28 (b) A partnership that is required to file a return under (a) of this section shall
29 withhold tax from a nonresident partner's distributive share of the partnership's income
30 or a gain, loss, or deduction derived from or connected with a source in the state at the
31 highest marginal tax rate applicable under this chapter to individuals for the taxable

1 year.

2 (c) Withholding under this section is not required by a partnership that

3 (1) is a publicly traded partnership, as defined in 26 U.S.C. 7704(b)
4 (Internal Revenue Code); and

5 (2) files with the department an annual information return reporting the
6 name, address, taxpayer identification number, and other information requested by the
7 department concerning each unitholder whose distributive share of partnership
8 income, regardless of source, is more than \$1,000.

9 (d) The department shall adopt regulations that allow a partnership subject to
10 withholding under this section to file a composite return.

11 **Sec. 43.22.090. Permanent fund tax payment.** The department shall adopt
12 regulations establishing procedures for an individual eligible for a dividend under
13 AS 43.23.005 to direct the department to hold all or a part of the amount of the
14 dividend to pay the tax due under this chapter. The amount held under this section
15 may not exceed the dividend amount after contributions, garnishments, levies, fees,
16 attachments, assignments, or other reductions or donations allowed under AS 43.23.
17 The department shall apply the amount held under this section to tax owed in the
18 taxable year in which the taxpayer applies for the dividend. The department shall
19 refund the amount of the dividend not applied against taxes under this section to the
20 individual who appears on the application for the dividend.

22 regulations and forms to implement and interpret this chapter, including regulations
23 and forms for the electronic filing and payment of taxes due under this chapter.
24 Federal regulations issued under the Internal Revenue Code shall be considered
25 persuasive authority in interpreting any provision of the Internal Revenue Code on
26 which the taxes imposed by this chapter relies, whether or not a federal regulation has
27 been specifically incorporated into a department regulation, unless the federal
28 regulation

29 (1) conflicts with a provision of this chapter;

30 (2) conflicts with a regulation adopted by the department; or

31 (3) is inconsistent with the purposes of this chapter.

1 (b) A transaction or payment between related persons must have economic
2 substance, must serve a bona fide business purpose, and may not have occurred for the
3 primary purpose of lowering the tax due under this chapter. The department, after
4 review or audit of a taxpayer's return, may determine whether there is sufficient
5 documentation or whether a transaction or payment meets the requirements of this
6 subsection. If the department determines that the documentation, transaction, or
7 payment fails to meet the requirements of this subsection, the department may adjust
8 the amount of a payment or transaction, disregard the payment or transaction, or make
9 another adjustment necessary for determining the tax under this chapter. If a payment
10 in an amount greater than \$500,000 is made or required to be made from one person to
11 a related person, the related persons shall submit documentation substantiating that the
12 amount of the payment is consistent with 26 U.S.C. 482 (Internal Revenue Code).
13 Payments subject to this subsection include payments for interest, royalties,
14 management fees, services, inventory, tangible personal property, intangible property,
15 and real property.

16 (c) A tax deficiency assessed by the department under this section is assumed
17 to be correct. A taxpayer has the burden of proving that the tax deficiency is
18 erroneous.

19 (d) The tax collected by the department under AS 43.22.010 and 43.22.020
20 shall be deposited into the general fund and accounted for separately.

25 supersede provisions in AS 43.05 and AS 43.10.

26 (b) When provisions of the Internal Revenue Code incorporated by reference
27 under (a) of this section refer to rules and regulations adopted by the United States
28 Commissioner of Internal Revenue, they are regarded as regulations adopted by the
29 department under this chapter, unless the department adopts specific regulations in
