3 **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

4 *** Section 1.** AS 43.20 is amended by adding a new section to read:

5 **Sec. 43.20.019. Tax on income attributable to a qualified entity.** (a) If a
6 qualified entity has taxable income over \$5,000,000 in a tax year, the qualified entity
7 shall pay a tax of 9.4 percent on the taxable income over \$5,000,000.

8 (b) For purposes of calculating taxable income under this section,

9 (1) taxable income of a qualified entity is determined under
10 AS 43.20.144 as if the qualified entity were taxable as a corporation, as determined
11 under 26 U.S.C. 1361 (Internal Revenue Code), as that section read on January 1,
12 2025;

13 (2) notwithstanding AS 43.20.021 and AS 43.20.036, the taxpayer may
14 not apply as a credit or deduction against tax liability a credit or deduction allowed as

1 to federal taxes under 26 U.S.C. (Internal Revenue Code).

2 (c) The tax under this section does not apply to a corporation paying tax under
3 AS 43.20.011 or to an entity that is part of a unitary business with a corporation that
4 pays tax under AS 43.20.011.

5 (d) For the purpose of determining the tax due under this section, the
6 department shall

7 (1) aggregate the taxable income of two or more entities if the
8 department determines that, without the provisions of this section, the taxable income
9 would reasonably be expected to be attributed to a single entity; and

10 (2) except as provided in (c) of this section, include in the calculation
11 of taxable income of the qualified entity income that is attributable to an entity that is
12 part of a unitary business with the qualified entity paying tax under this section.

13 (e) In this section,

14 (1) "qualified entity" means a

15 (A) sole proprietorship;

16 (B) partnership;

17 (C) limited liability company; or

18 (D) entity that has elected to file federal returns under 26

19 U.S.C. 1361 - 1379 (Internal Revenue Code);

20 (2) "taxable income" means income from the production of oil or gas
21 from a lease or property in the state or from the transportation of oil or gas by pipeline
22 in the state.

23 * **Sec. 2.** AS 43.20.030(a) is amended to read:

24 (a) If a **taxpayer** [CORPORATION], or a partnership that has a **taxpayer**
25 [CORPORATION] as a partner, is required to make a return under the provisions of
26 the Internal Revenue Code, **the taxpayer** [IT] shall file with the department, within 30
27 days after the federal return is required to be filed, a return setting out

28 (1) the amount of tax due under this chapter, less credits claimed
29 against the tax; and

30 (2) other information for the purpose of carrying out the provisions of
31 this chapter that the department requires.

1 * **Sec. 3.** AS 43.20.031(i) is amended to read:

 4 activity taxable both inside and outside the state, or income from other sources both
 5 inside and outside the state, shall determine its income from sources in this state by
 6 use of the combined method of accounting.

7 * **Sec. 4.** AS 43.20.031 is amended by adding a new subsection to read:

8 (j) For purposes of calculating income under this chapter, a taxpayer may
 9 deduct from income a payment to the shareholder, owner, member, or partner of a
 10 qualified entity, as that term is defined in AS 43.20.019(e), if

11 (1) the shareholder, owner, member, or partner is a taxpayer under this
 12 chapter;

13 (2) the payment does not include a transfer of property; and

14 (3) the payment is included in the shareholder's, owner's, member's, or
