FISCAL NOTE ANALYSIS

STATE OF ALASKA
2025 LEGISLATIVE SESSION**Analysis**

This bill amends current law to allow write-in candidates for President and Vice-President, provided that the write-in candidate files a letter with the Division of Elections (division) certifying the information required for independent candidates for President and Vice-President under AS 15.30.026(b).

Depending on the number of candidates for a ranked-choice presidential election, the ballot may have to be printed horizontally due to the space required for ranking each presidential/vice-presidential candidate. This is not expected to result in a fiscal impact on the division. Therefore, a zero fiscal note is being submitted.

Alaska does not permit write-in voting for the offices of President and Vice-President due to specific provisions in election regulations (6 AAC 25.069). Should this bill pass, the division would adopt regulations to allow Alaskan voters to write in their preferred candidates for these federal offices in future elections.
