FISCAL NOTE ANALYSIS

STATE OF ALASKA
2026 LEGISLATIVE SESSION

Analysis

HB 47 establishes the new crimes of distribution of generated child sexual abuse material and possession of generated child sexual abuse material. A person is guilty of distribution of child sexual abuse material, generally, if they distribute material that depicts a child under the age of 18 engaging in sexual or lewd conduct, and that material is also obscene. Distribution of generated child sexual abuse material is a class B sex felony or a class A sex felony if the person has been previously convicted. A person is guilty of possession of generated child sexual abuse material if they possess or accesses a computer with the intent to view the material described above. Possession of generated child sexual abuse material is a class C sex felony.

It is unknown how many additional cases will be referred to the Criminal Division if this bill were to become law. The division submits a zero fiscal note at this time and will continue to monitor the impacts of this bill to determine whether additional resources may be needed in the future.
