FISCAL NOTE ANALYSIS

STATE OF ALASKA
2025 LEGISLATIVE SESSION

Analysis

House Bill 48 would transfer 25% of the filing fees received by the Alaska Court System during a fiscal year to the civil legal services fund (Alaska Legal Services Corporation).

This bill would not have an impact on the court system, because the court system deposits all filing fees that it collects directly into the state general fund; the legislature thereafter appropriates those funds, like all other general funds, as it deems proper.

The court system would have no fiscal impact from the bill, and therefore submits this zero fiscal note.
