FISCAL NOTE ANALYSIS

STATE OF ALASKA
2025 LEGISLATIVE SESSION**Analysis**

This bill establishes the new crime of organized retail theft and modifies existing theft statutes by lowering the monetary thresholds for felony and misdemeanor theft offenses. Additionally, it introduces a two percent statewide sales tax on marketplace facilitators, with the revenue directed to the newly created organized retail theft fund. The legislature may appropriate funds from this account to support law enforcement efforts in investigating and prosecuting organized retail theft and related property crimes.

The Department of Public Safety, specifically the Division of Alaska State Troopers, will be responsible for enforcing the criminal provisions of this bill. While this legislation expands theft-related enforcement duties, it does not create a direct fiscal impact on the department. However, if funding from the organized retail theft fund is appropriated to DPS, the department may require an increase in statutory budget authority to receive and utilize these funds.
