Division:	Alaska Gasline Development Corporation	Date:	02/28/2025
Approved By:	Hannah Lager, Administrative Services Director	Date:	02/28/25
Agency:	Commerce, Community, and Economic Development		

FISCAL NOTE ANALYSIS

STATE OF ALASKA
2025 LEGISLATIVE SESSION

Analysis

HB 119 requires that an in-state natural gas pipeline under AS 31.25.005(4) include a direct spur line to the City of Fairbanks and the Fairbanks North Star Borough. The Alaska Gasline Development Corporation (AGDC) ceased work on an in-state pipeline as defined by AS 31.25.005(4) in 2019.

This proposed legislation will not result in fiscal impact on AGDC or on the construction of the Alaska Liquefied Natural Gas project under AS 31.25.005(5), which is the integrated project consisting of North Slope Treatment Plant, pipeline, liquefaction, and export terminal in Nikiski.
