## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2026 LEGISLATIVE SESSION**Analysis**

This bill establishes a 30-calendar-day deadline for the payments of contracts under the State Procurement Code and for the payment of grants, contracts, and reimbursement agreements to nonprofit organizations, municipalities, and Alaska Native Organizations. It establishes procedures for payment and non-payment to the contractor and grantee. Additionally, it sets a requirement to pay interest, equal to the rate set out in AS 45.45.010(a), to the contractor or grantee if the deadline isn't met.

It is always the Department of Commerce, Community, and Economic Development's (DCCED) intention to pay contracts, grants, and reimbursement agreements in a timely manner. In addition to contractual expenditures in the operating budget, the department administers hundreds of grants in any given fiscal year. However, the department cannot predict how many payments for grants and contracts will be made outside of the proposed statutory requirements in this legislation, and therefore cannot accurately impact the amount of interest that would be paid. If any payments were late, general funds would be required to support any accrued interest. Because the number of late payments is not known, the amount of interest and the amount of personal services support required to meet the tracking and payment requirements in this legislation cannot be accurately estimated at this time. As a result, the department does not currently anticipate fiscal impact from this legislation.
