FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2025 LEGISLATIVE SESSION

Analysis

This legislation seeks to file a PFD application on behalf of an individual who is believed to be eligible for a PFD, but has not applied by March 31. The PFD application is to pay child support arrearage.

The legislation lacks sufficient detail on the process for flagging any such PFD application accounts as originating under these provisions. As such, the passage of the bill may increase administrative time and effort for UA to determine whether or not a particular account eligible for receipt of a PFD award is subject to UA collection action. Based on this uncertainty, any fiscal impact on UA cannot be determined.
