Why this fiscal note differs from previous version/comments:

This fiscal note is drafted by the Senate Finance Committee to reflect changes made in the Senate Finance Committee Substitute (CS) for HB 57. The Senate Finance CS changes the scope of the bill to a \$700.00 per student increase to the Base Student Allocation (\$177,240.8) and increases districts' statutory pupil transportation funding per student by 10%. providing additional state aid for districts through the Foundation Program as an appropriation to the Public Education Fund. The funding mechanism is a general fund transfer to the Public Education Fund (PEF). The fiscal note effect for FY2026 through FY2031 is reported in the fiscal note for the PEF, as the funding is deposited to the PEF, not into the Foundation Program funding component.
