FISCAL NOTE ANALYSIS

STATE OF ALASKA
2025 LEGISLATIVE SESSION**Analysis**

This bill raises the minimum age for purchase and possession of tobacco and nicotine products to 21 years of age, adds provisions for shipment and transport of these products, and creates a Class A misdemeanor for violations of these provisions.

Although this legislation expands the conduct for which one could be charged with a Class A misdemeanor, it is not likely to result in a noticeable caseload increase to the Office of Public Advocacy. The Agency therefore submits a zero fiscal note.
