FISCAL NOTE ANALYSIS

STATE OF ALASKA
2026 LEGISLATIVE SESSION**Analysis**

This legislation requires an assessment of a 10.5 percent annualized interest rate on any State of Alaska contract payment made later than 30 days past the invoice date. This interest assessment would also apply to non-profit, municipal, and Alaska Native organization grant payments that are not issued within 30 days of a request. If conditions of the contract or grant are not being met at the time the payment request is made, the bill allows the State to temporarily withhold payment without penalty.

The Department of Fish and Game does not issue grants and has sufficient administrative staff to issue contractual payments. Federal award dollars the department receives cannot be used for interest or fee payments, so state fund sources would need to be used if interest penalties were incurred.

Interest payments required by the department under this bill are anticipated to be minimal. Therefore, the department submits a zero fiscal note.
