FISCAL NOTE ANALYSIS

STATE OF ALASKA
2026 LEGISLATIVE SESSION**Analysis**

This legislation requires an assessment of a 10.5% annualized interest rate on any State of Alaska contract payment that is later than 30 days past the invoice date. This provision also applies to non-profit, municipal, or Alaska Native organization grant payments that are not issued within 30 days of request. Both situations allow the state to temporarily withhold payment, without penalty, if conditions of the contract or grant are not being met at the time the payment request is made.

The Department of Family and Community Services does not anticipate a fiscal or operational impact in order to implement the requirements of the bill. Accordingly, the department submits a zero fiscal note.
