FISCAL NOTE ANALYSIS

STATE OF ALASKA
2026 LEGISLATIVE SESSION

Analysis

This bill modernizes travel insurance statutes, providing for non-insurance services, such as travel assistance services or cancellation fee waivers, to be offered as part of a travel protection plan that also includes travel insurance. It redefines travel insurance limited producer license requirements and defines a travel retailer that can offer and disseminate travel insurance on behalf of and under the direction of a travel insurance limited producer. The bill directs that travel insurance will be filed with the division of insurance.

The Division does not expect an increase in the number of policies currently being filed or changes to insurance premium taxes collected. The Division of Insurance does not anticipate fiscal impact from this legislation.
