FISCAL NOTE ANALYSIS

STATE OF ALASKA
2026 LEGISLATIVE SESSION**Analysis**

This resolution establishes a 14-member legislative commission, including six legislators, to review and make recommendations to the legislature regarding the official state seal. The commission is required to submit a report, including recommendations and supporting materials, to the legislature on or before May 14, 2027. The commission terminates on that date unless two-thirds of its members vote to extend its work through June 30, 2027. Members of the commission serve without compensation but are entitled to per diem and travel expenses.

The sponsor intends for the commission to meet monthly, with two in-person meetings anticipated in July and December in Anchorage, as most non-legislative members reside in the Anchorage area. The resolution authorizes the commission to meet and vote telephonically or by videoconference, and it is anticipated that the majority of meetings will occur in that format.

It is assumed that the six legislative members will represent the five primary regions of the state, with two members from the southcentral region. Four legislators residing outside southcentral are anticipated to incur travel and per diem costs to attend two in-person meetings in Anchorage.

Total estimated travel costs are approximately \$7.5 thousand. It's the sponsor's intent that these one-time costs, as well as costs associated with telephonic or virtual meetings will be absorbed within existing budgets.

SCR 11 authorizes the commission to seek, accept, and expend grants or gifts of funds, as well as professional, consulting, clerical, or other services and supplies, from federal and other public or private sources. Because the amount of any such external support is unknown at this time, an indeterminate amount is reflected in the Changes in Revenues section.
