Seventy-ninth Day

Dear Lord Jesus,

I thank you for this morning, and I give you praise, for having called each representative here today.

In your scriptures, your word is like a light which illuminates our path, and you provide answers to our deepest questions. Please shine your radiant light in this room. Please answer our prayers and bring light to our deepest issues. Give wisdom to our representatives as they protect the people of Alaska.

Your Holy Bible says, in Daniel 2:20, 22 ESV: *Daniel answered and said: "Blessed be the name of God forever and ever, to whom belong wisdom and might. ... [God] reveals deep and hidden things; he knows what is in the darkness, and the light dwells with him."*

The Governor's transmittal letter dated April 8 follows:

"Dear Speaker Edgmon:

Under the authority of Article III, Section 18 of the Alaska Constitution, I am transmitting a bill relating to public notice requirements.

HOUSE JOURNAL

644

April 9, 2025

This bill would amend public notice requirements for state entities, including notices issued by the Department of Environmental Conservation and the Department of Natural Resources related to land and water use, as well as general notice requirements under the Administrative Procedure Act. The intent is to modernize public notice practices without changing the underlying processes.

Under the bill, public notices could be posted on the Alaska Online Public Notice System, with newspaper publication made discretionary. It would also remove requirements for repeated or region-specific newspaper publications, allowing state agencies to determine if additional advertising is necessary after initial publication.

By prioritizing the use of the widely accessible Online Public Notice System, this bill aims to reduce costs and streamline the public notice process.

I urge your prompt and favorable action on this measure.

Sincerely,
/s/
Mike Dunleavy
Governor"

HB 180

HOUSE BILL NO. 180 by the House Rules Committee by request of the Governor, entitled:

"An Act relating to the powers of the commissioner of administration with respect to motor vehicles; relating to electronic identification cards; relating to electronic driver's licenses and permits; and providing for an effective date."

was read the first time and referred to the Judiciary and State Affairs Committees.

The following fiscal note(s) apply:

1. Zero, Dept. of Administration
2. Zero, Dept. of Public Safety

The Governor's transmittal letter dated April 8 follows:

"Dear Speaker Edgmon:

Under the authority of Article III, Section 18 of the Alaska Constitution, I am transmitting a bill to update the powers of the Commissioner of Administration with respect to motor vehicles, including the issuance of electronic identification cards, driver's licenses, and permits.

This bill authorizes the Division of Motor Vehicles (DMV) to issue electronic identification cards and electronic driver's licenses and permits. Because an electronic identification card or driver's license may be displayed to a peace officer on a mobile device, the bill includes provisions that limit a peace officer's access to an individual's mobile device and provide civil immunity for unintentional damage to such devices.

Additionally, the bill permits the Commissioner of Administration to enter into data-sharing agreements with law enforcement agencies, governmental agencies or programs, or data exchange services – such as the National Driver Register, Problem Driver Pointer System, Commercial Driver's License Information System, State-to-State National Verification Service, and the Driver License Data Verification Service.

These changes will equip the DMV with the necessary tools to keep its systems current with modern technology and ensure that its communications and practices remain effective in both state and national contexts.

I urge your prompt and favorable action on this measure.

Sincerely,

/s/

Mike Dunleavy
Governor"
