#### Eighty-fifth Day

Pursuant to adjournment the House was called to order by Speaker Edgmon at 10:12 a.m.

The spoken and musical invocation was offered by the Chaplain, Pastor Robert Roehl of Kingdom Alliance Network. Representative Story moved and asked unanimous consent that the invocation be spread on the journal. There being no objection, it was so ordered.

From Romans 8:26-28 NKJV:

*Likewise the Spirit also helps in our weaknesses. For we do not know what we should pray for as we ought, but the Spirit Himself makes intercession for us with groanings which cannot be uttered.*

*Now He who searches the hearts knows what the mind of the Spirit is, because He makes intercession for the saints according to the will of God.*

*And we know that all things work together for good to those who love God, to those who are the called according to His purpose.*

The Pledge of Allegiance was led by Representative Stutes.

OF HOUSE BILLS****HB 193**

HOUSE BILL NO. 193 by Representatives Hall and Fields, entitled:

"An Act establishing a paid parental leave program; relating to unemployment benefits; relating to the collection of child support obligations; and relating to the duties of the Department of Labor and Workforce Development."

was read the first time and referred to the Labor & Commerce and Finance Committees.

**HB 194**

HOUSE BILL NO. 194 by the House Rules Committee by request of the Governor, entitled:

"An Act approving and ratifying the sale of royalty oil by the State of Alaska to Marathon Petroleum Supply and Trading Company LLC; and providing for an effective date."

was read the first time and referred to the Resources and Finance Committees.

The following fiscal note(s) apply:

1. Indeterminate, Dept. of Natural Resources

The Governor's transmittal letter dated April 14 follows:

"Dear Speaker Edgmon:

Under the authority of Article III, Section 18, of the Alaska Constitution, I am transmitting a bill relating to approval and ratification of the sale of royalty oil by the State of Alaska to Marathon Petroleum and Trading Company LLC (Marathon).

The Commissioner of the Department of Natural Resources (DNR) has determined that it is in the best interest of the State to take royalty oil in-kind from leases on the North Slope. To this end, DNR has negotiated a proposed contract titled "Agreement for the Sale of Royalty Oil between and among the State of Alaska, and Marathon Petroleum Supply and Trading LLC, a Delaware Limited Liability Company and Marathon Petroleum Corporation, a Delaware Corporation" (Proposed Contract). This bill would approve and ratify the Proposed Contract.

The Proposed Contract obligates the State to deliver between a minimum of 10,000 barrels per day (bpd) and a maximum of 15,000 bpd to Marathon. Based on yearly average forecasts, Marathon's nominations under the Proposed Contract could represent 12 percent to 36 percent of the State's North Slope royalty oil. The State will receive a price for its royalty oil that will equal or exceed the price it would have received had it elected to keep its royalty in-value. In total, the Proposed Contract is expected to net the State roughly \$4 to \$18 million in revenue above what the State would receive by taking the royalty in-value.

The State currently sells royalty oil to Marathon under a three-year contract, which was approved by the legislature in 2022 and expires July 31, 2025. The Proposed Contract would take effect on August 1, 2025 and terminate on July 31, 2028. The Proposed Contract also provides for automatic one-year extended terms for an additional seven years, with each party having the right to terminate after three years.

The bill is the culmination of diligent analysis and public process that are imperative for responsible resource stewardship. DNR and the

Alaska Royalty Oil and Gas Development Advisory Board (Board) considered the fiscal, economic, societal, and environmental impacts and benefits of the agreement. DNR issued a Final Best Interest Finding and Determination on the agreement that included analysis of the factors for the sale of royalty oil in AS 38.05.183. The Department did not receive any comments from the public on the sale during the public comment period that ended on April 11, 2025. Additionally, the Board held two public hearings on the sale. In accordance with AS 38.06.050, the Board voted to approve a written recommendation and report on April 8, 2025, recommending legislative approval of the agreement.

This bill would allow the State to obtain the maximum value for its royalty oil. I urge your prompt and favorable action on this measure.

Sincerely,

/s/

Mike Dunleavy  
Governor"

### **HB 195**

HOUSE BILL NO. 195 by Representative Mina, entitled:
