Pursuant to adjournment the House was called to order by Speaker Edgmon at 10:39 a.m.

With respect for the religious beliefs of each person here, I offer this prayer:

Dear Heavenly Father,
Give ear to my words, O Lord, consider my meditation. Give heed to the voice of my cry, my king and my God, for to you I pray.

Look down from heaven upon the House today and bless them, guide them in all they have to do. Grant them strength and revive them for the journey ahead. Light their path and give them vision for the future. Clear thinking to accomplish the work set before them. I pray you keep them healthy, dear Lord, and lift any burdens they may be carrying off of their shoulders right now, in Jesus name.

HOUSE BILL NO. 218 by the House Rules Committee by request of the Governor, entitled:

"An Act expanding the Tanana Valley State Forest; and providing for an effective date."

was read the first time and referred to the State Affairs and Resources Committees.

The following fiscal note(s) apply:

1. Zero, Dept. of Natural Resources

The Governor's transmittal letter dated May 1 follows:

"Dear Speaker Edgmon:

Under the authority of Article III, Section 18 of the Alaska Constitution, I am transmitting a bill to expand the Tanana Valley State Forest.

Expansion of the forest will help secure long-term investment in the area and will facilitate increased forest management. Under Division of Forestry (DOF) stewardship, timber resources will be sustainably produced, utilized, and replenished, while other public land uses continue. This change provides certainty for investors - and Dept. of Family & Community Services - that investments in reforestation, road construction, and other forest activities will be safeguarded and maintained. Additionally, these forest roads will improve public access for recreational activities such as hunting, fishing, berry picking, and tourism.

These lands, already classified for forest use in state land management plans for their timber productivity, will now be officially part of the State Forest, reaffirming our commitment to sustainable forest management.

I respectfully urge your prompt and favorable consideration of this measure.

Sincerely,

/s/

Mike Dunleavy
Governor"
