**ALASKA STATE LEGISLATURE**  
**THIRTY-FOURTH LEGISLATURE**  
**SECOND SESSION**

**Juneau, Alaska**

**Wednesday**

**May 13, 2026**

**One Hundred Fourteenth Day**

Pursuant to adjournment the House was called to order by Speaker Edgmon at 11:06 a.m.

Roll call showed 39 members present. Representative D. Nelson had been excused from a call of the House today.

The invocation was offered by the Chaplain, Pastor Chris Elliott of Radiant Church. Representative Story moved and asked unanimous consent that the invocation be spread on the journal. There being no objection, it was so ordered.

Most gracious and merciful God! I come before you today with a grateful heart, and with an understanding that every session of this legislative body is, in truth, an act of stewardship before you.

You, O Lord, who set the boundaries of our rugged coastline and numbered the days of every Alaskan soul, have also ordered this moment in time, and placed these men and women here with intentionality and purpose.

I ask that you would grant them clarity of mind when the difficulty of their work feels overwhelming, steadiness of heart when the pressure threatens to distort their judgment, and the rare and beautiful gift of genuine humility - the kind that listens well, weighs everything carefully, and wisely chooses what is best.

Guard them from the kind of cynicism that comes from long seasons of hard work, from the weariness that misunderstands staying busy for making progress, and from the subtle drift of placing personal advantage above the common good.

I ask that you would renew their commitment to serve as Christ served - who came not to be served but to serve, and to give his life as a ransom so that those entrusted into his care might flourish.

I ask for your hand of blessing on the work of this day. Bless Alaska, Lord - its families, its frontiers, and its future. I ask these things in the mighty name of Jesus, Amen!

The Pledge of Allegiance was led by Representative Prax.

### **CERTIFICATION OF THE JOURNAL**

Representative Kopp moved and asked unanimous consent that the journal for the 113th legislative day be approved as certified by the Chief Clerk. There being no objection, it was so ordered.

Insert new bill sections to read:

**\*\* Section 1.** AS 14.07.020(a) is amended to read:

(a) The department shall

(1) exercise general supervision over the public schools of the state except the University of Alaska;

(2) study the conditions and needs of the public schools of the state, adopt or recommend plans, administer and evaluate grants to improve school performance awarded under AS 14.03.125, and adopt regulations for the improvement of the public schools; the department may consult with the University of Alaska to develop secondary education requirements to improve student achievement in college preparatory courses;

(3) provide advisory and consultative services to all public school governing bodies and personnel;

(4) prescribe by regulation a minimum course of study for the public schools; the regulations must provide that, if a course in American Sign Language is given, the course shall be given credit as a course in a foreign language;

(5) establish, in coordination with the Department of Family and Community Services, a program for the continuing education of children who are held in juvenile detention facilities or juvenile treatment facilities, as those terms are defined in AS 47.12.990, in the state during the period of detention or treatment;

(6) accredit those public schools that meet accreditation standards prescribed by regulation by the department; these regulations shall be adopted by the department and presented to the legislature during the first 10 days of any regular session, and become effective 45 days after presentation or at the end of the session, whichever is earlier, unless disapproved by a resolution concurred in by a majority of the members of each house;

(7) prescribe by regulation, after consultation with the state fire marshal and the state sanitarian, standards that will

ensure healthful and safe conditions in the public and private schools of the state, including a requirement of physical examinations and immunizations in pre-elementary schools; the standards for private schools may not be more stringent than those for public schools;

(8) exercise general supervision over early education programs that receive direct state or federal funding, including early education programs provided by a school district for students four and five years of age, approve an early education program provided by a school district that complies with the standards adopted by the board under AS 14.07.165(a)(5), and revoke approval of an early education program if the program does not comply with the standards adopted by the board under AS 14.07.165(a)(5);

(9) exercise general supervision over elementary and secondary correspondence study programs offered by municipal school districts or regional educational attendance areas; the department may also offer and make available to any Alaskan through a centralized office a correspondence study program;

(10) accredit private schools that request accreditation and that meet accreditation standards prescribed by regulation by the department; nothing in this paragraph authorizes the department to require religious or other private schools to be licensed;

(11) review plans for construction of new public elementary and secondary schools and for additions to and major rehabilitation of existing public elementary and secondary schools and, in accordance with regulations adopted by the department, determine and approve the extent of eligibility for state aid of a school construction or major maintenance project; for the purposes of this paragraph, "plans" include educational specifications, schematic designs, projected energy consumption and costs, and final contract documents;

(12) provide educational opportunities in the areas of vocational education and training, and basic education to individuals over 16 years of age who are no longer attending school; the department may consult with businesses and labor unions to develop a program to prepare students for apprenticeships or internships that will lead to employment opportunities;

- (13) administer the grants awarded under AS 14.11;
- (14) establish, in coordination with the Department of Public Safety, a school bus driver training course;
- (15) require the reporting of information relating to school disciplinary and safety programs under AS 14.33.120 and of incidents of disruptive or violent behavior;
- (16) establish by regulation criteria, based on low student performance, under which the department may intervene in a school district to improve instructional practices, as described in AS 14.07.030(a)(14) or (15); the regulations must include
  - (A) a notice provision that alerts the district to the deficiencies and the instructional practice changes proposed by the department;
  - (B) an end date for departmental intervention, as described in AS 14.07.030(a)(14)(A) and (B) and (15), after the district demonstrates three consecutive years of improvement consisting of not less than two percent increases in student proficiency on standards-based assessments in language arts and mathematics, as provided in AS 14.03.123(f)(1)(A); and
  - (C) a process for districts to petition the department for continuing or discontinuing the department's intervention;
- (17) notify the legislative committees having jurisdiction over education before intervening in a school district under AS 14.07.030(a)(14) or redirecting public school funding under AS 14.07.030(a)(15);
- (18) establish a reading program to provide direct support for and intervention in the reading intervention programs of participating schools as described in AS 14.30.765 and 14.30.770;
- (19) annually convene, either in person or electronically, a panel to review and comment on the effectiveness of the programs created by the department and the regulations adopted by the board to implement AS 14.03.410, 14.03.420, AS 14.30.760 - 14.30.770, and 14.30.800; the panel
  - (A) shall provide recommendations and guidance to the board, the department, and the legislature on how to integrate early education and reading programs created under this title with tribal compacting or programs focused on cultural education within the department;

(B) shall discuss support for reading in Alaska Native languages and other non-English languages;

(C) must collectively represent the regions of the state and include teachers of grades kindergarten through three, school administrators, parents of students in grades kindergarten through three, stakeholders from Indigenous language immersion programs, representatives from early education stakeholder groups, and researchers of best practices for improving literacy performance, including best practices for instruction of Indigenous students and students whose first language is not English;

**(20) provide school board ethics and budgeting training to school board members who are required to receive the training under AS 14.08.041(g) and AS 14.12.045.**

\* **Sec. 2.** AS 14.07.020(a), as amended by sec. 16, ch. 40, SLA 2022, is amended to read:

(a) The department shall

(1) exercise general supervision over the public schools of the state except the University of Alaska;

(2) study the conditions and needs of the public schools of the state, adopt or recommend plans, administer and evaluate grants to improve school performance awarded under AS 14.03.125, and adopt regulations for the improvement of the public schools; the department may consult with the University of Alaska to develop secondary education requirements to improve student achievement in college preparatory courses;
