**THIRTY-FOURTH LEGISLATURE**  
**SECOND SESSION**

**Juneau, Alaska**

**Wednesday**

**January 21, 2026**

**Second Day**

Pursuant to adjournment the Senate was called to order by President Stevens at 11:02 a.m.

The roll showed twenty members present.

The prayer was offered by the Chaplain, Reverend Gordon Blue, Holy Trinity Episcopal Church. Senator Hoffman moved and asked unanimous consent the prayer be spread. Without objection, it was so ordered.

Dear Lord,

We gather in prayer for the Senators who make our laws and guide our State: Give them courage, wisdom, and foresight to provide for the needs of all our people, and to fulfill our obligations in the community of states and nations. Give grace to your servants.

O Lord, in words appointed for this day, from Psalm 144, I pray blessed be the LORD my rock, who trains my hands to fight and my fingers to battle, O Lord my help and my fortress, my stronghold, and my deliverer. May our children be like plants well nurtured from their youth. May there be no breaching of the walls, no going into exile, no wailing in the public squares. Happy are the people of whom this is so! Happy are the people whose God is the LORD!

Spirit of justice, creator Spirit; help this Senate to make and keep the great state of Alaska a home for all its different peoples. You have made us many peoples, but of one blood; preserve our many cultures, and make us also of one mind.

Guide and protect our children, who carry our hopes for the future so that we do not neglect them but cherish them.

Guide and protect our children and strengthen them with your love, so that neither do we send them into reckless domestic adventures.

Be present in all these ways, O Lord, so that this Senate, this body of your people's election, may be remembered for its wisdom and care of the Great Land, into the ages of ages.

Amen.

Senator Giessel led the Senate in the Pledge of Allegiance.

**SB 216**

SENATE BILL NO. 216 BY THE SENATE RULES COMMITTEE  
BY REQUEST OF THE GOVERNOR, entitled:

"An Act relating to the transfer of big game hunting permits; and providing for an effective date."

was read the first time and referred to the Resources and Finance Committees.

The following fiscal information was published today:

Fiscal Note No. 1, indeterminate, Department of Fish and Game

Governor's transmittal letter dated January 19:

Dear President Stevens:

Under the authority of Article III, Section 18 of the Alaska Constitution, I am transmitting a bill relating to the limited-entry big game drawing permit program.

When a drawing permit will not be used, the opportunity is lost, and the resource goes unused. This bill creates a narrow, regulated process allowing the original recipient of a big game drawing permit to transfer the permit one time to another eligible hunter, subject to conditions that preserve fairness and protect the integrity of the drawing system.

The bill integrates this new transfer authority with existing law for transfers to a family member following a hunter's death, with only minimal technical changes, and includes safeguards to protect the public interest, including a clear state liability shield. The bill is anticipated to increase participation in the draw hunt system and state revenue from application fees without a significant increase in administrative costs to the department.

I urge your prompt and favorable action on this measure.

Sincerely,

/s/

Mike Dunleavy  
Governor

### **SB 217**

SENATE BILL NO. 217 THE SENATE RULES COMMITTEE BY  
REQUEST OF THE GOVERNOR, entitled:

"An Act relating to employer contributions to the unemployment compensation fund; establishing an employer contribution for the state training and employment program; and providing for an effective date."

was read the first time and referred to the Labor and Commerce and Finance Committees.

The following fiscal information was published today:

Fiscal Note No. 1, Department of Labor and Workforce  
Development

Fiscal Note No. 2, Department of Labor and Workforce  
Development

Fiscal Note No. 3, Department of Labor and Workforce  
Development

Governor's transmittal letter dated January 19:

Dear President Stevens:

Under the authority of Article III, Section 18 of the Alaska Constitution, I am transmitting a bill relating to unemployment insurance contribution rates and the funding of workforce training programs.

Alaska's workforce requires consistent, high-quality training to meet the demands of a modern economy. Stable, predictable funding ensures Alaskans gain in-demand skills and employers can fill jobs.

This bill solves this challenge by restructuring the allocation of unemployment insurance contributions to improve long-term stability without increasing the overall tax burden on employers. It directs a specific portion of collected revenue to these training accounts before the funds are deposited into the Unemployment Compensation Fund. This approach secures funding for workforce development while preserving the core purpose of unemployment insurance and maintaining the solvency of the unemployment insurance system.

I urge your prompt and favorable action on this measure.

Sincerely,

/s/

Mike Dunleavy  
Governor

**SB 218**

SENATE BILL NO. 218 THE SENATE RULES COMMITTEE BY REQUEST OF THE GOVERNOR, entitled:

"An Act relating to the taxation of electric cooperatives; relating to the taxation of electricity generation and electricity storage facilities; and providing for an effective date."

was read the first time and referred to the Labor and Commerce and Finance Committees.

The following fiscal information was published today:

Fiscal Note No. 1, zero, Department of Commerce, Community  
and Economic Development

Fiscal Note No. 2, Department of Revenue

Governor's transmittal letter dated January 19:

Dear President Stevens:

Under the authority of Article III, Section 18 of the Alaska Constitution, I am transmitting a bill relating to taxation of electricity and the tax treatment of qualifying electricity generation and storage facilities.

Affordable and reliable power is foundational to Alaska's economy. This bill reduces tax burdens that affect electric rates and improves the tax framework for new generation and storage investment by eliminating the current tax on electricity sold by electric cooperatives and expanding the existing exemption from state and local property, income, and excise taxes for qualifying electricity generation and storage facilities operated by independent power producers.

Under current law, the exemption applies only when a facility is operated by a public utility or by a power producer that serves only public utilities. This bill would extend eligibility to facilities serving customers other than public utilities, so long as those customers first begin receiving electric service on or after July 1, 2026.

I urge your prompt and favorable action on this measure.

Sincerely,

/s/

Mike Dunleavy

Governor
