**ALASKA STATE LEGISLATURE**  
**THIRTY-FOURTH LEGISLATURE**  
**SECOND SESSION**

**Juneau, Alaska**

**Friday**

**January 23, 2026**

**Fourth Day**

Pursuant to adjournment the Senate was called to order by President Stevens at 10:37 a.m.

The roll showed twenty members present.

The prayer was offered by the Chaplain, Reverend Gordon Blue, Holy Trinity Episcopal Church. Senator Hoffman moved and asked unanimous consent the prayer be spread. Without objection, it was so ordered.

Creator of life, redeemer of the afflicted and spirit of grace, In this season, the Epiphany, the Northern infancy of light, I celebrate my home and ask your blessing upon it.

Make this building the home of blessings and the refuge of all Alaskans, In the tradition, Psalm 35 is appointed for reading today. It says fight those who fight me, O LORD; attack those who are attacking me.

Take up shield and armor and rise up to help me. Draw the sword and bar the way against those who pursue me. Say to my soul, "I am your salvation."

Let those who seek after my life be shamed and humbled; let those who plot my ruin fall back and be dismayed. Let them be like chaff before the wind and let the angel of the LORD drive them away.

I pray, Almighty and everlasting one:  
Grant to this Capitol the grace of your presence,  
so that you may be known to be the inhabitant of this  
dwelling,

Alaska, and the defender of this household, its  
Capitol. Visit, O blessed Lord this Senate, with the  
gladness of your presence, and keep them ever  
mindful of the rights of others, to assemble, and to  
defend themselves in their own places.

Bless all who work here with the gift of your love;  
and grant that they may manifest your respect to each  
other and become shining examples to all whose lives  
they touch. May they grow in grace and in the  
knowledge and love of you. Guide, comfort, and  
strengthen them; and preserve them in peace now and  
forever. *Amen.*

Senator Hoffman led the Senate in the Pledge of Allegiance.

SENATE JOINT RESOLUTION NO. 23 BY THE SENATE RULES  
COMMITTEE BY REQUEST OF THE GOVERNOR,

Proposing amendments to the Constitution of the State of Alaska relating to the Alaska permanent fund; relating to appropriations from the Alaska permanent fund; relating to transfers out of the Alaska permanent fund; and requiring payment of a dividend to eligible state residents.

was read the first time and referred to the Finance Committee.

The following fiscal information was published today:

Fiscal Note No. 1, zero, Office of the Governor

Governor's transmittal letter dated January 22:

Dear President Stevens:

Under the authority of Article III, Section 18 of the Alaska Constitution, I am transmitting a proposed amendment to the Constitution of the State of Alaska relating to the Alaska permanent fund. This constitutional amendment is designed to provide long-term fiscal certainty, extend constitutional protections to Permanent Fund earnings and establish durable rules for withdrawals, and place the Permanent Fund Dividend beyond annual political cycles.

This amendment makes three reforms. First, it ends the current two-account structure by merging the earnings reserve account into the permanent fund corpus. Second, it establishes a limit on withdrawals by capping the annual draw at five percent of the fund's average market value using the existing five-year formula. Third, it requires the annual draw to be split equally: half is guaranteed to eligible Alaskans as dividends – without political games or further appropriation – and half is available to fund essential operations of government.

Alaskans deserve a Permanent Fund that is protected, predictable, and fair. This constitutional amendment allows the people of Alaska to decide that future directly.

I urge your prompt and favorable action on this measure.

Sincerely,

/s/

Mike Dunleavy  
Governor

### **Introduction and Reference of Senate Bills**

#### **SB 222**

SENATE BILL NO. 222 BY THE SENATE RULES COMMITTEE  
BY REQUEST OF THE GOVERNOR, entitled:

"An Act relating to the powers and duties of the Legislative Budget and Audit Committee; relating to the powers and duties of the legislative audit division; providing for a sunset review of executive branch agencies; and providing for an effective date."

was read the first time and referred to the Finance Committee.

The following fiscal information was published today:

Fiscal Note No. 1, zero, Office of the Governor

Governor's transmittal letter dated January 22:

Dear President Stevens:

Under the authority of Article III, Section 18 of the Alaska Constitution, I am transmitting a bill relating to the sunset review of government agencies. This bill establishes a process of sunset review for most state agencies on a six-year cycle, to assess performance and continued need. When an agency is under review, the legislative audit division will submit a report to the legislative budget and audit committee with recommendations on whether to continue, terminate, or reorganize the agency.

If the legislature does not enact legislation to continue or reorganize the agency in the regular session following a sunset review, the agency will automatically terminate and wind down over the next fiscal year. Any statutory functions will be absorbed by the department in which the agency is established.

I urge your prompt and favorable action on this measure.

Sincerely,

/s/

Mike Dunleavy  
Governor

**SB 223**

SENATE BILL NO. 223 BY THE SENATE RULES COMMITTEE  
BY REQUEST OF THE GOVERNOR, entitled:

"An Act relating to an appropriation limit; and  
providing for an effective date."

was read the first time and referred to the Finance Committee.

The following fiscal information was published today:

Fiscal Note No. 1, zero, Office of the Governor

Governor's transmittal letter dated January 22:

Dear President Stevens:

Under the authority of Article III, Section 18 of the Alaska Constitution, I am transmitting a bill relating to the statutory appropriation limit. Current law allows total appropriations to grow by up to five percent plus population and inflation. This bill sets a more disciplined standard by limiting appropriations in a fiscal year to no more than one percent above the prior fiscal year.

Alaskans deserve a stable, rules-based fiscal system that avoids the boom-and-bust cycle and reduces pressure for new taxes. A meaningful limit on spending growth will protect essential services, improve budget predictability, and keep the size of government aligned with what Alaskans can sustain over time.

This measure is part of a broader approach to restoring trust in state finances, controlling growth in government, and ensuring long-term fiscal certainty.

I urge your prompt and favorable action on this measure.

Sincerely,

/s/

Mike Dunleavy  
Governor

**SB 224**

SENATE BILL NO. 224 BY THE SENATE RULES COMMITTEE  
BY REQUEST OF THE GOVERNOR, entitled:

"An Act relating to state land; relating to contracts for the sale and lease of state land; relating to commercial development parks; and providing for an effective date."

was read the first time and referred to the Resources and Finance Committees.

The following fiscal information was published today:

Fiscal Note No. 1, Department of Natural Resources

Governor's transmittal letter dated January 22:

Dear President Stevens:

Under the authority of Article III, Section 18 of the Alaska Constitution, I am transmitting a bill establishing commercial development parks. This bill enables the Department of Natural Resources to complete the required public notice and best-interest finding at the time a park is designated and then allows leasing or sale of land within the park for commercial use without repeating that process for each individual transaction.

Alaska's private-sector growth is often slowed by delay and uncertainty in land availability. This bill ensures public notice and a best interest finding occur at the outset, creating clarity for Alaskans and predictable timelines for responsible development.

In addition, this bill is intended to facilitate commercial development of state land by authorizing novel and innovative compensation structures for sales and leasing in commercial development parks. Finally, this bill includes several amendments to existing general leasing statutes intended to streamline and update existing procedures for the leasing of public land.

I urge your prompt and favorable action on this measure.

Sincerely,

/s/

Mike Dunleavy

Governor

**SB 225**

SENATE BILL NO. 225 BY THE SENATE RULES COMMITTEE  
BY REQUEST OF THE GOVERNOR, entitled:

"An Act relating to trusts; relating to trust proceedings; relating to nonjudicial settlement agreements in trust matters; relating to the powers of trustees; and providing for an effective date."

was read the first time and referred to the Labor and Commerce and Judiciary Committees.

The following fiscal information was published today:

Fiscal Note No. 1, zero, Department of Commerce, Community and Economic Development

Governor's transmittal letter dated January 22:

Dear President Stevens:

Under the authority of Article III, Section 18, of the Alaska Constitution, I am transmitting a bill enacting trust law reform in Alaska.

This bill modernizes Alaska trust law to provide clearer, more efficient trust administration. It (1) requires automatic sealing of trust administration cases; (2) permits non-judicial settlement agreements for trust administration matters; (3) adopts notice-based procedures that can reduce fiduciary liability for trust administration actions; (4) updates Alaska's decanting statutes to expand trustee powers and clarify definitions and tax guardrails; and (5) shortens creditor-notice time periods and clarifies solvency affidavit provisions.

These updates help keep Alaska competitive as a premier trust jurisdiction and provide Alaskans with modern options for managing and protecting assets across generations.

I urge your prompt and favorable action on this measure.

Sincerely,

/s/

Mike Dunleavy  
Governor
