1 IN THE SENATE

BY SENATORS BARNES AND JONES

2 SENATE BILL NO. 6

3 IN THE LEGISLATURE OF THE TERRITORY OF ALASKA

4 TWENTY-SECOND SESSION

5 A BILL

6 For an Act entitled: "An Act to authorize departments and other
7 agencies of the Territory to enter into
8 agreements or contracts with each other
9 for the purpose of furnishing necessary
10 and authorized special or technical ser-
11 vices, including services of employees,
12 materials, and equipment."

13 BE IT ENACTED BY THE LEGISLATURE OF THE TERRITORY OF ALASKA:

14 Section 1. Any Territorial agency or department may enter
15 into and perform a written agreement or contract with other
16 agencies of the Territory for furnishing necessary and authori-
17 zed special or technical services, including the services of
18 employees, the services of materials, or the services of equip-
19 ment. The actual cost of rendering the services, or the nearest
20 estimate of the cost that is practicable, shall be reimbursed.

21 Sec. 2. Before any services may be rendered or received a
22 written agreement or contract shall be entered into, specifying
23 the kinds and amounts of services to be rendered, the bases for
24 calculating reimbursable costs, and the maximum amount of the
25 costs during the time period covered by the agreement. To be
26 valid, the written agreement or contract must be in a form
27 approved by the Attorney General and have the advance approval
28 of the administrators of the Territorial agencies which are
29 parties thereto and of the Board of Budget. Where the amount

1 involved is less than ^{75¢}Twenty Five Dollars (^{60.00}\$25.00), no written
2 agreement or contract or advance approval by the Board of Budget
3 is required.

4 Sec. 3. No agreement or contract may be entered into or
5 performed which will require or permit an agency of the Terri-
6 tory to exceed its statutory duties and responsibilities, or
7 the limitations of its appropriated funds. In reviewing pro-
8 posed agreements or contracts the Board of Budget shall consider
9 the following factors, which shall not be considered to be
10 exclusive: (a) Whether the services specified are necessary
11 and essential for activities and work that are properly within
12 the statutory functions and programs of the affected agencies
13 of the Territorial Government; (b) Whether the proposed ar-
14 rangements serve the interests of efficient and economical ad-
15 ministration of the Territorial Government; and (c) Whether
16 the specified bases for reimbursing the actual costs are fair,
17 equitable, and realistic and in conformity with the limitations
18 of funds prescribed in the current appropriations act or other
19 applicable statutes.

20 Sec. 4. Payments for such services by a receiving agency
21 shall be made from the appropriation items or accounts of the
22 receiving agency from which like expenditures would normally be
23 made, based upon vouchers drawn for this purpose by the receiv-
24 ing agency payable to the furnishing agency. Payments received
25 by the agency performing the services shall be credited to that
26 agency's current appropriation items or accounts from which the
27 expenditures of that character were originally made.

28 Sec. 5. Nothing in this Act shall authorize any agency to
29 construct any building or structure for any other agency, unless

1 otherwise specifically authorized by existing law, except that
2 the Department of Education and the Department of Health may
3 enter into agreements or contracts under the terms of this Act
4 for acquisition of sites, construction, reconstruction, main-
5 tenance, repair, operation, or alteration of joint school and
6 community health center facilities. †
