BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE STATE OF  
ALASKA, THE SENATE CONCURRING:

That, there now exists a drastic need for additional hospital  
space in the Greater Anchorage area;

That, a considerable portion of this need could be met if the  
facilities of the Alaska Native Service Hospital at Anchorage  
were made available to the general public;

That, in the light of these premises, the City of Anchorage  
and the Alaska Native Service be urged to investigate the feasi-  
bility of transferring or leasing all or a portion of this hospital  
to the city, for operation by the city or cooperating private or-  
ganization; that the Alaska Department of Health be directed to  
initiate and cooperate with this investigation.
