IN THE HOUSE

BY MR. ERWIN

HOUSE RESOLUTION NO. 26

IN THE LEGISLATURE OF THE STATE OF ALASKA

FIRST LEGISLATURE - SECOND SESSION

Relating to the construction of two
access roads in the Seward area.

BE IT RESOLVED BY THE HOUSE IN FIRST LEGISLATURE, SECOND SESSION
ASSEMBLED:

WHEREAS, Seward is experiencing a period of industrial and
commercial expansion unequalled in the past ten years; and

WHEREAS, further expansion is expected on land available
within but a half mile of the present port facilities, but this
land is not accessible by road; and

WHEREAS, this land is ideal for industrial, commercial, or
residential development but for its lack of accessibility by road,
having good approaches both by water and land; and

WHEREAS, but two roads of not more than one-half mile each
in length are all that is necessary to open up this land for
expansion;

BE IT RESOLVED by the House in First Legislature, Second
Session assembled that the Department of Public Works conduct the
necessary surveys and cost investigations for the construction of
the two access roads to Fourth of July Creek and Lowell Creek
deltas with the utmost dispatch.
