BY MR. PETERSEN

HOUSE RESOLUTION NO. 29

IN THE LEGISLATURE OF THE STATE OF ALASKA

FIRST LEGISLATURE - SECOND SESSION

Relating to the construction of a  
bridge across the Kenai River.

BE IT RESOLVED BY THE HOUSE IN FIRST LEGISLATURE, SECOND SESSION  
ASSEMBLED:

WHEREAS, a bridge across the Kenai River is needed for the  
development of the industrial area along the Kenai River and to  
connect the City of Kenai with the Libby Cannery, the Union Oil  
gas well, homesteaders, and beach and small home-sites; and

WHEREAS, the bridge would not be inordinately expensive and  
could be paid for out of tolls on the users; and

WHEREAS, its construction would eliminate many miles of  
travel between the City of Kenai and the aforementioned industrial  
and home sites;

BE IT RESOLVED by the House of Representatives in First  
Legislature, Second Session assembled, that the Department of  
Public Works undertake the necessary program to provide for the  
construction of a bridge across the Kenai River at a site approxi-  
mately south of the Alaska Aggregate Installation off the Loop  
Road and adjacent to the Army Bulkhead; and be it

FURTHER RESOLVED that copies of this resolution be directed  
to the Governor and the Commissioner of Public Works.
