IN THE HOUSE BY MR. RHODE

HOUSE RESOLUTION NO. 15

IN THE LEGISLATURE OF THE STATE OF ALASKA

SECOND LEGISLATURE - FIRST SESSION

Relating to the construction of a
bridge across the Kenai River.

BE IT RESOLVED BY THE HOUSE IN SECOND LEGISLATURE, FIRST SESSION
ASSEMBLED:

WHEREAS, a bridge across the Kenai River is needed for the
development of the industrial area along the Kenai River and to
connect the City of Kenai with the Libby Cannery, the Union Oil
gas well, homesteaders, and beach and small home-sites; and

WHEREAS, the bridge would not be inordinately expensive and
could be paid for out of tolls on the users; and

WHEREAS, its construction would eliminate many miles of
travel between the City of Kenai and the aforementioned industrial
and home sites;

BE IT RESOLVED by the House of Representatives in Second
Legislature, First Session assembled, that the Department of
Public Works undertake the necessary program to provide for the
construction of a bridge across the Kenai River at a site
approximately south of the Alaska Aggregate Installation off the
Loop Road and adjacent to the Army Bulkhead.
