4 SECOND LEGISLATURE - SECOND SESSION

5 Relating to the construction
6 site for an airfield on the
7 Lower Yukon.

8 BE IT RESOLVED BY THE SENATE IN SECOND LEGISLATURE, SECOND SESSION
9 ASSEMBLED:

10 WHEREAS, the Division of Aviation, Department of Public
11 Works, is ready to proceed with the construction of a new air-
12 field near Andraefski on the Lower Yukon; and

13 WHEREAS, the Division of Aviation has selected a site which
14 is known by experienced pilots flying in the area to be unsatis-
15 factory because of approach difficulties caused by surrounding
16 hills and the general air turbulence prevailing in the area; and

17 WHEREAS, they recommend a down-river location designated as
18 Site H-8 as being much more desirable and known to the Division
19 of Aviation;

20 BE IT RESOLVED by the Senate in Second Legislature, Second
21 Session assembled, that the Commissioner of Public Works is
22 requested to direct the Division of Aviation to construct the
23 new Andraefski-Lower Yukon airfield at Site H-8 rather than at the
24 turbulent and the less approachable site for which it is now
25 scheduled.
