5

Relating to a feasibility study of

6

a crossing of Knik Arm

7

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES, THE SENATE CON-

8

CURRING:

9

WHEREAS the Department of Highways has made preliminary sur-

10

veys of the feasibility of a crossing of Knik Arm near Anchorage

11

to the Goose Bay flats; and

12

WHEREAS considerable interest has been engendered in a com-

13

plete report on the proposed project which is of great importance

14

to the present needs and future development of the entire area; and

15

WHEREAS a thorough and final feasibility report on the project

16

will expedite the programming and completion of the Knik Arm

17

crossing;

18

BE IT RESOLVED that the Governor is respectfully requested to

19

direct the Department of Highways to proceed immediately with a

20

complete feasibility study of a crossing of Knik Arm near Anchor-
