6 istration and operation of the
7 University of Alaska.

8 BE IT RESOLVED BY THE SENATE:

9 WHEREAS the University of Alaska represents a program of
10 major importance and expense to the people of Alaska; and

11 WHEREAS the rapid growth and anticipated expansion of the
12 higher education program of the state through the University of

16 sibility for review and approval of the financing of the state's
17 vital higher education program;

18 BE IT RESOLVED that the Legislative Council is directed,
19 with the cooperation of the Board of Regents of the University
20 of Alaska and such staff assistance from the staff of the Division
21 of Legislative Audit as the Audit Committee may be able to provide,
22 to make a comprehensive survey of the entire administration and
23 operation of all programs of the University of Alaska supported
24 in whole or in part by state money, giving particular attention
25 to fiscal functions, the physical plant including capital con-
26 struction plans, research facilities and programs, and any other
27 aspects of the program and operation of the University which will
28 be of assistance to the Legislature in determining the most
29 beneficial use of public money for the higher education program

1 of the state which the people of the state desire and are willing
2 to support. The report of the Legislative Council is to be
