15 licensed master plumber to supervise all its plumbing
16 business. The employment of a licensed master plumber does
17 not entitle an association, partnership, or corporation to be
18 registered if the licensed plumber also makes another
19 association, partnership, or corporation eligible to be
20 registered. A properly registered association, partnership,
21 or corporation continues to be registered for 30 days after
22 the examination after it no longer employs a licensed master
23 plumber unless it becomes eligible to register before that
