5 Relating to low cost housing in

10 and

11 WHEREAS adequate housing in villages in Alaska is more than  
12 critical: it is a condition for survival; and

18 respectfully requested to consider the creation of a Federal  
19 Village Housing Administration, patterned after the Federal Hous-

21 comfortable homes of not more than 800 square feet of floor  
22 space, at a cost of about \$4,500, with low principal payments and  
23 a minimal interest rate, and with standards lower than those set  
24 for the Federal Housing Administration, for all persons living in  
25 the United States for whom the benefits of the Federal Housing  
26 Administration program are not available, and for whom no  
27 reasonable means of acquiring adequate housing now exists; and be  
28 it
