

1 IN THE SENATE BY THE LOCAL GOVERNMENT
COMMITTEE

2 SENATE RESOLUTION NO. 10

3 IN THE LEGISLATURE OF THE STATE OF ALASKA

4 FOURTH LEGISLATURE - SECOND SESSION

5 Requesting a survey of the
6 feasibility of constructing an
7 access road between Cordova and
8 Orca.

9 BE IT RESOLVED BY THE SENATE:

10 WHEREAS the construction of about four miles of access road
11 to Orca from Cordova would provide access to the cannery located
12 there; and

13 WHEREAS if a road connection were available it would then be
14 possible to employ approximately 40 employees who could commute
15 to and from work; and

16 WHEREAS the land involved is scheduled to come under state
17 control and it appears that an access road could be constructed
18 with some ease and little expense along the beachline between
19 Cordova and Orca;

20 BE IT RESOLVED that the Governor is requested to direct the
21 Department of Highways to make a survey as to the feasibility and
22 cost of constructing an access road between Cordova and the Orca
23 cannery.
