3 IN THE LEGISLATURE OF THE STATE OF ALASKA

4 FIFTH LEGISLATURE - SECOND SESSION

5 A BILL

6 For an Act entitled: "An Act relating to liens on motor vehicles."

7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

8 * Section 1. AS 28.10 is amended by adding a new section to read:

9 Sec. 28.10.515. TOWING AND STORAGE LIEN. (a) A person engaged in the
10 business of towing motor vehicles who tows, transports or stores a
11 motor vehicle has a lien on the motor vehicle. This lien attaches when
12 the person acts under a contract with the owner or at the direction
13 of a public officer acting lawfully or a person entitled to possession
14 of the property upon which the motor vehicle is parked without consent.
15 The lien remains in effect while the motor vehicle is in the possession
16 of the person and may be sold, as provided in (b) of this section, to
17 pay the charges for towing, transportation or storage. The lien is
18 limited to towing charges assessed according to the tariff filed by
19 the carrier and storage charges at the rate of \$1 per day, but the
20 total charges may not exceed \$100. In the absence of a filed tariff,
21 the towing charge shall be the same as the lowest towing charge in the
22 other filed tariffs covering the same service and route. Storage
23 charges shall cease to be part of the lien after 10 days unless the
24 prior lien holder has been given actual notice of the possessory lien
25 within that time or unless a registered letter has been mailed to the
26 owner and prior lien holder within that time.

27 (b) If the motor vehicle remains unclaimed for a period of 90
28 days in the possession of the person who performed the towing, trans-
29 portation or storage, it shall be sold on giving 20 days' notice of

1 the sale. The notice shall be delivered to the proper officer and
2 personally served on the legal owner and the prior lien holder, if any,
3 of the motor vehicle in the same manner as provided by law for service
4 of summons. If either of these persons cannot be located and served,
5 personal notice of the sale shall be forwarded to him at his last known
6 address by certified mail, return receipt requested. This notice shall
7 contain a description of the motor vehicle, including its license
8 number and motor number, together with the time and place of sale, a
9 statement of the amount due, and the name and address of the person to
10 whom the charges are due.

11 (c) The money realized from a sale made under this section shall
12 be applied first to the payment of costs and expenses of the sale and,
13 secondly, to the lawful charges of the person having a lien on the
14 motor vehicle under this section. Remaining proceeds from the sale
15 shall be retained by the Department of Revenue to be distributed to the
16 registered and legal owner or lien holder entitled to the remaining
17 proceeds. A purchaser in good faith of a motor vehicle sold under this
18 section takes the motor vehicle free of any rights of prior lien.
