SENATE CONCURRENT RESOLUTION NO. 18

3

IN THE LEGISLATURE OF THE STATE OF ALASKA

4

FIFTH LEGISLATURE - SECOND SESSION

5

Relating to construction of a

6

bridge across Safety Lagoon.

7

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:

8

WHEREAS the state presently maintains a ferry shuttle across Safety

9

Lagoon on Highway S 130 for motor vehicle traffic; and

10

WHEREAS the water to be spanned in this area is only 500 to 600 feet

11

thus making bridge construction highly feasible and in the light of the high

12

cost of operating the ferry over this short distance, highly desirable; and

13

WHEREAS such a bridge would do much to bring about the even flow of

14

motor vehicle traffic on this important highway and go a long way toward

15

encouraging tourists' activities in this area;

16

BE IT RESOLVED that the Legislature respectfully requests the Governor

17

to direct the Department of Highways to construct a bridge across Safety

18

Lagoon on Highway S 130.
