IN THE LEGISLATURE OF THE STATE OF ALASKA

4

FIFTH LEGISLATURE - SECOND SESSION

5

Requesting the governor to create a

6

three-man committee to study all aspects

7

of an educational and public broad-

8

casting authority.

9

BE IT RESOLVED BY THE SENATE:

10

WHEREAS the State of Alaska, due to its rugged terrain and isolated

11

segments of population, seems ideally disposed for the implementation of an

12

extensive educational and public broadcasting network; and

13

WHEREAS there are presently unknown factors involved in implementing a

14

program of this magnitude;

15

BE IT RESOLVED that the Senate respectfully requests the Governor to

16

appoint a three-man investigating committee with one member each from the

17

fields of broadcasting technology, education, and fiscal planning, to in-

18

vestigate all aspects of an educational and public broadcasting system and

19

report these findings along with recommended legislation to implement the

20

proposed system to the Sixth Legislature, First Session.
