YOUNG

2 HOUSE CONCURRENT RESOLUTION NO. 22

3 IN THE LEGISLATURE OF THE STATE OF ALASKA

4 SIXTH LEGISLATURE - SECOND SESSION

5 Requesting a series of conferences to
6 help determine the future role of the
7 University of Alaska.

8 BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:

9 WHEREAS the Alaska Legislature recognizes the great contribution that
10 the University of Alaska will make to the future of the state, and recognizes
11 that its planning and growth is vital to the development of the talent that
12 will guide and mold our state into the most perfect of the 50 states of this
13 union of states; and

14 WHEREAS, like many other areas of endeavor within our state in past
15 years, our University has grown rapidly and has often with great difficulty
16 responded to the many varying needs and demands within the state; and

17 WHEREAS the Legislature realizes that pressures of rapid growth and
18 past lack of revenue have inhibited proper planning and growth in many areas
19 of state activity as well as at our University; and

20 WHEREAS Alaska's newly acquired wealth makes possible greater choice by
21 Alaskans in determining a future of their own planning;

22 BE IT RESOLVED that the Sixth Legislature of the State of Alaska respect-
23 fully requests the Board of Regents of the University of Alaska to plan and
24 carry out a series of conferences designed to allow citizens, students,
25 faculty, and the regents to contribute to a determination of what Alaskans
26 want for their University and of what the University should be in the future
27 of our state.

28 A COPY of this Resolution shall be sent to the Board of Regents of the
29 University of Alaska.
