

Introduced: 5/18/70
Referred: Rules

1 IN THE HOUSE

BY THE COMMERCE COMMITTEE

2 HOUSE RESOLUTION NO. 20

3 IN THE LEGISLATURE OF THE STATE OF ALASKA

4 SIXTH LEGISLATURE - SECOND SESSION

5 Proposing the repair of the White
6 Mountain air strip.

7 BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES:

8 WHEREAS the air strip at White Mountain, Alaska, is essential to the
9 local residents as a means of air transportation; and

10 WHEREAS the present air strip has been allowed to fall into a state
11 of disrepair; and

12 WHEREAS the present strip will only accommodate single-engined small
13 aircraft and there is a great need to improve the strip so that it can
14 accommodate twin-engined aircraft;

15 BE IT RESOLVED that the Alaska House of Representatives respectfully
16 requests the Governor to consider the feasibility of extending the White
17 Mountain air strip so that it will accommodate twin-engined aircraft and to
18 repair the strip so that it is safe to use by both twin- and single-engined
19 craft.
