Sec. 09.20.050. JURY LIST. At such times as the presiding judge of the superior court in each judicial district may designate, but not less than once every two years, the clerk of the superior court in each judicial district shall prepare a list of the names of residents of the district who are qualified by law for jury service and who either purchased a resident hunting or fishing license, filed a state income tax return for the preceding year or voted in the preceding general election. If the superior court is located in different cities in the same judicial district, the clerk of the court located in each city shall prepare, at the times designated by the judge but at least every two years, a list of names of persons qualified for jury service and who either purchased a resident hunting or fishing license, filed a state income tax return for the preceding year or voted in the preceding general election, and who are residents of that portion of the judicial district designated by the presiding judge. The list shall be based on the list of persons, prepared by the Department of Revenue, who either purchased a resident hunting or fishing license, or who filed a state income tax return for the preceding year and the voting list prepared by the secretary of state from the preceding general election. A questionnaire for prospective jurors may be adopted and submitted to them by the administrative director of the courts. A copy of the list
