

Introduced: 3/14/69  
Referred: Resources

1 IN THE SENATE

BY THE RULES COMMITTEE BY  
REQUEST OF THE GOVERNOR

2 SENATE BILL NO. 264

3 IN THE LEGISLATURE OF THE STATE OF ALASKA

4 SIXTH LEGISLATURE - FIRST SESSION

5 A BILL

6 For an Act entitled: "An Act relating to the disclosure of certain  
7 geologic and other subsurface data; and providing  
8 for their confidentiality."

9 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

10 \* Section 1. AS 31.05.030(d)(2) is repealed and re-enacted to read:

11 (2) the filing with the department of

12 (A) reports, well histories, drilling logs, conven-  
13 tional resistivity or radioactive logs, mud logs, lithologic  
14 logs, directional surveys, and all other subsurface information  
15 on a well drilled for oil or gas, or for the discovery of oil  
16 or gas, or for geologic information; such required reports and  
17 information shall be filed within 30 days after the completion,  
18 abandonment, or suspension of the well; those required reports  
19 and information which are marked "confidential" will be kept  
20 confidential for three years after the date of completion,  
21 abandonment, or suspension of the well, unless the owner gives  
22 written permission to release such reports and information at  
23 an earlier date; but if a well in a field is capable of pro-  
24 ducing in paying quantities as determined by the department,  
25 when the second subsequent well in the field is completed,  
26 abandoned, or suspended, the three year confidential period no  
27 longer applies to such reports and information on any well in  
28 the field;

29 (B) all logs, except dipmeter and experimental logs,

1 run on a well and not required by (A) of this paragraph; when  
2 marked "confidential", logs filed as required by this sub-  
3 paragraph will be kept confidential until the owner gives  
4 written permission to release the logs.
