(a) The holder of a beverage dispensary license may sell for cash
or serve on the premises beer, wine and hard liquors for consumption
on the premises only. The beverage dispensary license fee is \$500
in all towns, villages, settlements, and places having a population not
exceeding 1,500 persons and \$1,000 in all towns, villages and incorpo-
rated cities having a population in excess of 1,500 persons. The
population shall be determined at the time of filing the application.
Each applicant for a beverage dispensary license shall file with the
application a cash bond or a surety bond executed by a surety company
approved by the board. The condition of the bond or undertaking shall
be that the applicant or applicants are the sole owners of the business
to be licensed, and that no other person is financially interested
directly or indirectly, and that the applicant or applicants will
conduct the business in accordance with the applicable laws pertaining
to intoxicating liquor in the state. It shall also be a condition of
the bond or undertaking that the applicant or applicants agree that
claims for wages and contributions to employee benefit funds, which
have been approved by the Department of Labor, or by a court as due
and owing to an employee of the applicant, shall be paid from the bond.
The bond shall be in the penal sum of \$2,500. Upon revocation of the

1 license, the bond may be forfeited and the amount deposited into the
2 general fund of the state.

3 * Sec. 2. AS 04.10.50 is amended by adding a new subsection to read:

4 (b) Each applicant for a restaurant license shall file with the
5 application a cash bond or a surety bond executed by a surety company
6 approved by the board. The condition of the bond or undertaking shall
7 be that the applicant or applicants agree that claims for wages or
8 contributions to employee benefit funds, which have been approved by
9 the Department of Labor, or by a court as due and owing to an employee
10 of the applicant, shall be paid from the bond. The bond shall be in
11 the sum of \$2,500.
