BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

9

* Section 1. AS 31.05 is amended by adding a new section to read:

10

Sec. 31.05.095. SAFETY REGULATION. The department may prescribe and adopt by regulation safety standards for the transportation of oil and gas where safety regulation is not a matter of exclusive federal control. The department may inspect oil and gas transportation facilities to determine compliance with safety standards established by the department or by the federal government. In carrying out its responsibilities under this section the department may require oil and gas transportation facilities to keep maintenance records which may be inspected by the department.
