SENATE CONCURRENT RESOLUTION NO. 15
IN THE LEGISLATURE OF THE STATE OF ALASKA
SEVENTH LEGISLATURE - FIRST SESSION

Relating to the classification of
security personnel at the international
airports.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:

WHEREAS firefighter guards and other security personnel stationed at
the Anchorage and Fairbanks International Airports have grave responsibilities,
not only in times of emergency, but in the day by day activities attendant
to airport operations; and

WHEREAS even though the Division of Personnel has recently investigated
the classification of these employees and recommended certain changes be
made, the security personnel, even with the implementation of the new plan,
will be forced to enter service at least a range lower than a state
trooper; and

WHEREAS the duties and responsibilities of these men are such that they
should be on an equal financial footing with the state troopers;

BE IT RESOLVED by the Alaska Legislature that the Governor is respect-
fully requested to direct the Department of Administration, Division of
Personnel to reexamine the present classification of all security personnel
with the object of ensuring them financial remuneration equal to that of
the personnel of the Department of Public Safety for like responsibilities.
