29 into single party accounts. A multiple party account is an account in

1 the name of two or more persons, one or more of whom may make with-
2 drawals. At least one party to a multiple party account must be a
3 member of the credit union in which the account is established. The
4 account may be created with any person designated by the credit union
5 member, but a nonmember shall not be permitted to vote, obtain loans, or
6 hold office.

7 (b) Accounts established for deposit of funds of a partnership,
8 joint venture or other association or accounts controlled by two or more
9 persons as the legally authorized agents or trustees for a corporation,
10 unincorporated association, charitable or civic organization or any
11 trust, except trusts of deposits evidenced only by the form of the
12 deposit, are excluded from the meaning of the term and from the pro-
13 visions of this chapter relating to multiple party accounts.

14 (c) Unless the terms of the account expressly stipulate that joint
15 signatures are required, a multiple party account may be paid on demand
16 to any one or more of the parties to the account, without regard to
17 whether any other party is incompetent or deceased at the time the
18 payment is demanded. If the account is one presumed to be a survivor-
19 ship account, payment may not be made to the personal representative or
20 heirs of a deceased party unless proofs of death are presented to the
21 credit union showing that the decedent was the last surviving party. A
22 credit union is not required to inquire as to the source of funds re-
23 ceived for deposit or the proposed application of any sum withdrawn from
24 the account.

25 (d) During the lifetime of all parties, a multiple party account
26 which provides that the sums on deposit or in shares may be paid on
27 demand of either of two or more parties is presumed to belong to the
28 parties in proportion to the net contributions by each party to the sums
29 on deposit. In the absence of satisfactory proof of net contributions,

1 the parties shall be presumed to own a multiple party account in equal
2 undivided interests.

3 (e) The death of a party to a multiple party account shall have no
4 effect on the beneficial ownership of the account, other than to trans-
5 fer the decedent's right to his estate, unless the account is a survi-
6 vorship account or trust account.

7 (f) Without qualifying any other statutory right to set-off or
8 lien and subject to any contractual provision, when a party to a mul-
9 tiple party account is indebted to a credit union, the credit union has
10 a right to set-off against the entire amount of the account.

11 Sec. 06.40.210. SURVIVORSHIP ACCOUNTS. A multiple party account
12 payable to two or more persons, jointly or severally, which does not
13 expressly provide that there is no right of survivorship, is presumed to
14 be a survivorship account. At the death of a party, sums on deposit in
15 a survivorship account belong to the surviving party or parties as
16 against the estate of the decedent. Where there are two or more sur-
17 vivors, their respective ownership shall be in proportion to their
18 previous net contributions augmented by an equal share for each survivor
19 of any interest the decedent may have owned in the account immediately
20 before his death, plus the proceeds of insurance on decedent's life paid
21 to the account. The right of survivorship continues between survivors.

22 Sec. 06.40.220. PRESUMPTIONS REBUTTABLE. The presumptions created
23 by secs. 190 - 210 of this chapter concerning beneficial ownership as
24 between parties, or as between parties and beneficiaries, of multiple
25 party accounts are relevant only to controversies between these persons
26 or their creditors or other successors, and shall have no bearing on the
27 rights of withdrawal of these persons as determined by the terms of the
28 account contracts. These presumptions are based upon inferences of the
29 intention of parties to multiple party accounts and the usual

1 expectations of persons using these accounts and are rebuttable by clear
2 and convincing evidence of a different intention. The presumptions of
3 survivorship are not subject to change by will, but may be rebutted by
4 a written order received by the credit union to change the form of the
5 account or directing that payment not be made in accordance with the
6 account which is signed by a party and is received by the credit union
7 during the party's lifetime. If not rebutted by contrary evidence, the
8 presumptions provided in this chapter are effective to establish bene-
9 ficial ownership. Transfers resulting from the application of these
10 presumptions are effective by reason of the account contracts and are
11 not to be considered as testamentary.

12 Sec. 06.40.230. PAYMENTS BY CREDIT UNION. Payment made in accord-
13 ance with secs. 190 - 210 of this chapter discharges the credit union
14 from all claims for amounts so paid whether or not the payment is
15 consistent with the beneficial ownership of the account as between
16 parties, or beneficiaries or their successors. The protection given
17 does not extend to payments made after a credit union has received
18 written notice from a party who has a present right of withdrawal that
19 withdrawals in accordance with the terms of the account should not be
20 permitted. Unless the notice is withdrawn by the person giving it, the
21 death of any party after notice has no effect on withdrawal rights, and
22 the personal representative or heirs of the decedent must concur in any
23 demand for withdrawal if the credit union is to be protected under this
24 section. No other notice or information shown to have been available to
25 a credit union shall affect its right to the protection provided here.
26 This protection shall have no bearing on the rights of parties in
27 disputes between themselves or their successors concerning the bene-
28 ficial ownership of funds in, or withdrawn from, multiple party accounts.

1 received from a minor who may withdraw the shares and deposits, includ-
2 ing dividends and interest. Deposits and share investments made by a
3 minor and withdrawals of them by the minor shall be valid in all re-
4 spects. For these purposes a minor is considered of full age.

5 Sec. 06.40.250. INACTIVE ACCOUNTS. If a credit union is unable to
6 contact a member, beneficiary or other person by first class mail at the
7 last address shown on the records of the credit union, and if this
8 inability continues for a period of more than seven years, all shares,
9 deposits, accounts, dividends, interest and other sums due to or stand-
10 ing in the name of that person escheat to and become the property of the
11 state. This provision shall not apply to sums due to or standing in the
12 name of two or more persons unless the credit union is unable to contact
13 any of these persons in the manner and during the period specified in
14 this section.

15 Sec. 06.40.260. DIVIDENDS. After provision for operating ex-
16 penses, interest, accrued taxes and the required reserves, the board of
17 directors may, at intervals determined by them in accordance with regula-
18 tions which may be promulgated by the commissioner, declare a dividend
19 to be paid on the classes of shares determined by them from the remain-
20 ing net earning at a rate not to exceed the rate established by the
21 National Credit Union Administrator. Dividends may be paid at different
22 rates on different types of shares and at different rates and maturity
23 dates in the case of share certificates. Dividend credit may be accrued
24 on various types of shares and share certificates as authorized by the
25 board of directors. No dividend shall be declared if, after payment of
26 the dividend, known losses would exceed the combined balances of the
27 reserve fund and undivided earnings.

28 Sec. 06.40.270. LOANS. (a) A credit union may make loans to its
29 members upon the terms and conditions provided in the bylaws and

1 approved by the credit committee or loan officer. The rate of interest
2 may not exceed one per cent per month on the unpaid balance, and the
3 maximum rate of interest prescribed by this section is inclusive of all
4 charges incident to making the loan. When applicable for real estate
5 loans, the interest rates prescribed in AS 45.45.010(b) shall prevail.
6 Every application for a loan shall be made in writing upon a form
7 approved by the board of directors, and shall state the purpose for
8 which the loan is desired, and the security, if any, offered. Every
9 loan shall be evidenced by a written statement. An unsecured loan shall
10 bear a maturity of no longer than five years and shall be supported by a
11 financial statement of the loan applicant. All secured loans except
12 those secured by improved real estate shall mature within 10 years. In
13 addition to generally accepted types of security, the endorsement of a
14 note by a guarantor or assignment of shares, in a manner consistent with
15 the laws of this state, shall be considered security within the meaning
16 of this chapter; however, when an endorsement of a note by a guarantor
17 is used as security on a loan for more than \$2,000, the loan shall also
18 be supported by a financial statement. The adequacy of all securities
19 shall be within the determination of the credit committee or loan
20 officer, subject to the provisions of this chapter and the bylaws. A
21 borrower may repay his loan before maturity in whole or in part on any
22 business day without penalty.

23 (b) The credit committee or loan officer may approve in advance
24 upon its own motion or upon application by a member, an extension of
25 credit, and loans may be granted to the member within the limit of the
26 extension of credit. When an extension of credit has been approved,
27 applications for loans need no further consideration as long as the
28 aggregate obligation does not exceed the limit of the extension of
29 credit. The credit committee or loan officer shall, at least once a

1 year, review all extensions of credit and an extension of credit shall
2 expire if the member becomes more than 90 days delinquent in his
3 obligations to the credit union.

4 (c) No loan or extension of credit may be made to a member in an
5 aggregate in excess of \$200 or 10 per cent of the credit union's unim-
6 paired capital and surplus, whichever is greater.

7 (d) A credit union may make loans to its own directors or to
8 members of its supervisory or credit committee; however, the aggregate
9 of loans to an individual director or committee member which exceeds
10 \$2,500 plus pledged shares must be approved by the board of directors.
11 A credit union may permit directors and committee members to act as
12 guarantor or endorser of loans to other members, except that when the
13 loan standing alone or when added to any outstanding loans of the
14 guarantor exceeds \$2,500, approval of the board of directors is required.

15 (e) A credit union may participate with other credit unions, cor-
16 porations or financial institutions in making loans to credit union
17 members.

18 (f) A credit union may participate in guaranteed loan programs of
19 the federal and state government.

20 (g) Subject to modification by the department by regulation, real
21 estate loans may be made to members in conformity with criteria estab-
22 lished by the board of directors under the rules and regulations that
23 apply to federally chartered credit unions, provided that

24 (1) a residential real estate loan which is made to finance
25 the acquisition of a one-to-four family dwelling for the principal
26 residence of a credit union member, the sales price of which is not more
27 than 150 per cent of the median sales price of residential real property
28 situated in the geographical area (as determined by the board of
29 directors) in which the property is located, and which is secured by a

1 first lien upon the dwelling, may have a maturity not exceeding 30 years;

2 (2) a loan to finance the purchase of a mobile home, which
3 shall be secured by a first lien on the mobile home, to be used by the
4 credit union member as his residence, or for the repair, alteration, or
5 improvement of a residential dwelling which is the residence of a credit
6 union member, shall have a maturity not to exceed 15 years unless the
7 loan is insured or guaranteed as provided in (3) of this subsection;

8 (3) a loan secured by the insurance or guarantee of the
9 federal government, or the state, or any agency of either may be made
10 for the maturity and under the terms and conditions specified in the
11 law under which the insurance or guarantee is provided;

12 (4) the unpaid principal balance of loans secured by real
13 estate may not, in the aggregate, exceed 50 per cent of the paid-in
14 capital of the credit union.

15 Sec. 06.40.275. ACQUISITION OF PROPERTY TO SATISFY OR PROTECT
16 PREVIOUS LOAN. A state credit union may take property of any kind, to
17 satisfy or protect a loan previously made in good faith and in the
18 ordinary course of business. The property shall be entered on the books
19 at cost, or fair market value, whichever is less. Property acquired to
20 satisfy or protect previous loans shall be disposed of over a period of
21 time as the department prescribes by regulation.

22 Sec. 06.40.276. INVESTMENT IN REAL ESTATE AND CREDIT UNION
23 PREMISES. A credit union may acquire, purchase, hold or lease property
24 for the following purposes only:

25 (1) real property necessary for the convenient transaction
26 of its business, including credit union offices, equipment, furniture
27 and fixtures, leasehold improvements, parking lots, and investment in
28 a credit union building corporation if all obligations of the building
29 corporation to the credit union are included as investment, provided

1 that the book asset value of the purchases or investments does not
2 exceed 60 per cent of the sum of the capital and surplus accounts of
3 the credit union;

4 (2) the satisfaction of or on account of debts previously
5 contracted in the course of its business;

6 (3) the purchase at sale under judgment, decree, lien, or
7 mortgage foreclosure, against security held by it.

8 Sec. 06.40.277. DISPOSITION OF PROPERTY NOT NEEDED IN THE CONDUCT
9 OF A CREDIT UNION BUSINESS. All real estate and personal property not
10 necessary for the transaction of a credit union business which comes
11 into the possession of a state credit union shall be disposed of as
12 soon as possible in accordance with the regulations of the department.
13 If any such real estate or personal property is not sold within the
14 time limit prescribed by the regulations, it shall be written off and
15 may not be carried as an asset of the credit union.

16 Sec. 06.40.280. INSURANCE. (a) A credit union may purchase in-
17 surance on the lives of its members in an amount equal to their respec-
18 tive shares, deposits and loan balances, and may enter into cooperative
19 marketing arrangements for its members covering group life insurance,
20 temporary disability coverage, health and accident plans and other
21 programs which are demonstrated to be in the interest of improving the
22 economic and social conditions of the credit union members.

23 (b) All credit unions chartered under this chapter, or credit
24 unions in operation at the time of issuance of a charter under this
25 chapter must submit evidence of share insurance coverage from the
26 administrator of the National Credit Union Administration. The amounts
27 of loss to be protected or guaranteed shall be established by the commis-
28 sioner. The commissioner shall make available reports of condition and
29 examination reports to the administrator of the National Credit Union

1 Administration and may accept any report of examination made on behalf
2 of the administrator. Should a credit union be closed because of
3 bankruptcy or insolvency, the commissioner may appoint the National
4 Credit Union Administrator as the liquidating agent.

5 (c) Credit unions that do not maintain share insurance coverage as
6 specified in this section shall be liquidated by the commissioner in
7 accordance with sec. 340 of this chapter.

8 Sec. 06.40.290. INVESTMENTS. Funds not used in making loans to
9 members may be invested in

10 (1) securities, obligations, participations, or other instru-
11 ments issued by or fully guaranteed as to principal and interest by the
12 federal government or one of its agencies or in a trust established for
13 the purpose of investing in these;

14 (2) obligations of the State of Alaska and its political
15 subdivisions if no amount more than 15 per cent of the paid-in capital
16 is invested in any one issue of revenue obligations;

17 (3) certificates of deposit or passbook accounts issued by a
18 state or national bank, savings and loan association or mutual savings
19 bank domiciled in this state;

20 (4) loans to or shares or deposits of other credit unions if
21 they do not, in the aggregate, exceed 10 per cent of the paid-in capital;

22 (5) the capital shares, obligations, or preferred stock
23 issues of any association or corporation whose members, stockholders,
24 patrons or owners are confined to credit unions and which is organized
25 to service or assist credit unions in accomplishing their purposes;

26 (6) deposits in the United States Central Credit Union;

27 (7) loans to a credit union association or corporation,
28 national or state, of which the credit union is a member, except that
29 these investments shall be limited to two per cent of the assets of the

1 credit union;

2 (8) stock in a credit union building corporation in accor-
3 dance with sec. 276 of this chapter.

4 Sec. 06.40.300. RESERVE ALLOCATIONS. (a) At the end of each
5 accounting period, the gross income of the credit union shall be
6 determined. Reserve allocations shall be determined according to the
7 following:

8 (1) A credit union in operation for more than four years and
9 having assets of \$500,000 or more shall set aside (A) 10 per cent of
10 gross income until the regular reserve shall equal four per cent of the
11 total of outstanding loans and risk assets; then (B) five per cent of
12 gross income until the regular reserve shall equal six per cent of the
13 total of outstanding loans and risk assets.

14 (2) A credit union in operation less than four years or having
15 assets of less than \$500,000 shall set aside (A) 10 per cent of gross
16 income until the regular reserve shall equal seven and one-half per cent
17 of the total of outstanding loans and risk assets; then (B) five per cent
18 of gross income until the regular reserve shall equal 10 per cent of the
19 total of outstanding loans and risk assets.

20 (3) When the regular reserve falls below the required per-
21 centages of the total of outstanding loans and risk assets, it shall be
22 replenished in the manner described in this subsection.

23 (b) In addition to the regular reserve, special reserves shall be
24 established to protect the interests of the members when required by
25 regulation or when found by the commissioner, in any special case, to be
26 necessary.

27 (c) For the purpose of establishing the reserves required by this
28 section, all assets shall be considered risk assets except the follow-

- (1) cash on hand;
- (2) deposits or shares in financial institutions insured by the Federal Deposit Insurance Corporation, the Federal Savings and Loan Insurance Corporation or the National Credit Union Administration;
- (3) loans to other credit unions in the state;
- (4) assets which are insured by, fully guaranteed as to principal and interest, or due from the federal government, its agencies, the Federal National Mortgage Association, or the Government National Mortgage Association;
- (5) buildings and land owned by the credit union;
- (6) loans to students insured under the provisions of Title IV, part B of the Higher Education Act of 1965 (20 U.S.C. 1071 et. seq.) or similar state insurance programs; however, loans described in this paragraph which are in default shall be deducted from the total;
- (7) the insured portion of loans insured under Title I of the National Housing Act (12 U.S.C. 1703) by the Federal Housing Administration;
- (8) the insured portion of common trust investments in government securities authorized by this chapter if the credit union is the direct beneficiary of the guarantee or insurance; or
- (9) accrued interest on nonrisk investments.

Sec. 06.40.305. CHARGING OFF OR SETTING UP RESERVES AGAINST BAD DEBTS. The commissioner may require a credit union to establish a reserve for and charge off the whole or part of an asset which has not been lawfully acquired, write down an asset to its market value, charge off that portion of an asset classified as a loss in a state report of examination, or charge off all debts owned to the credit union in which interest due has been unpaid for a period of six months unless the debt principal is adequately secured and the credit union is in the process

1 of collection.

2 ARTICLE 4. MERGER, CONVERSION AND LIQUIDATION.

3 Sec. 06.40.310. MERGER. (a) A credit union may, with the ap-
4 proval of the commissioner, after making the payment established by
5 regulation, merge with another credit union under the existing charter
6 of the other credit union, under a plan agreed upon by a majority of the
7 board of directors of each credit union joining in the merger, and
8 approved by the affirmative vote of a majority of the members of each
9 credit union present at meetings of the members legally called for this
10 purpose.

11 (b) After agreement by the directors and approval by the members
12 of both credit unions, the president and secretary of each credit union
13 shall execute a certificate of merger, which shall set out the time and
14 place of the meeting of the board of directors at which the plan was
15 agreed upon, the vote in favor or adoption of the plan, a copy of the
16 resolution or other action by which the plan was agreed upon, the time
17 and place of the meeting of the members at which the plan agreed upon
18 was approved, and the vote by which the plan was approved by the mem-
19 bers.

20 (c) Before approving a merger the commissioner shall give con-
21 sideration to the purposes of this chapter and the prospects of the
22 surviving or consolidated credit union for financial success and its
23 ability to discharge the duties and conform to the restrictions imposed
24 upon a credit union.

25 (d) The certificates and a copy of the plan of merger shall be
26 forwarded to the commissioner, certified or disapproved by him, and
27 returned to the merging credit union within 60 days.

28 (e) Upon the merger, all property, property rights, and interest
29 of the merged credit union shall vest in the surviving credit union

1 without deed, endorsement, or other instrument.

2 Sec. 06.40.320. CONVERSION OF CHARTER. A credit union chartered
3 under the laws of this state may be converted to a credit union under
4 the laws of any other state or of the United States either inside or
5 outside this state. A credit union chartered under the laws of the
6 United States or any other state may convert to a credit union chartered
7 under the laws of this state. To effect the conversion, a credit union
8 must comply with all the requirements for credit unions originally
9 chartered under this chapter, of the authority under which it was
10 originally chartered and the requirements of the commissioner, and file
11 proof of compliance with the commissioner. A credit union chartered
12 under the laws of this state which proposes to convert its charter to
13 another jurisdiction must, in addition to the other requirements of this
14 section, have the proposed conversion approved by an affirmative vote
15 of a majority of the members of the credit union.

16 Sec. 06.40.330. SUSPENSION. (a) If it appears that a credit
17 union is bankrupt or insolvent, or has wilfully violated the provisions
18 of this chapter, or is operating in an unsafe or unsound manner, the
19 commissioner may issue an order temporarily suspending the credit
20 union's operations for not more than 60 days. The board of directors
21 shall be given notice by registered mail of the suspension, which notice
22 shall include a list of the reasons for the suspension and a list of
23 specific violations of this chapter.

24 (b) Upon receipt of the suspension notice, the credit union shall
25 immediately cease all operations. The directors of the credit union
26 shall then file with the commissioner a reply to the suspension notice,
27 and request a hearing to present a plan of corrective actions proposed
28 if they desire to continue operations or request that the credit union
29 be declared insolvent and a liquidating agent appointed.

1 (c) If the credit union fails to answer the suspension notice or
2 request a hearing with the commissioner, he may then revoke the credit
3 union's charter, appoint a liquidating agent and liquidate the credit
4 union in accordance with sec. 340 of this chapter.

5 Sec. 06.40.340. LIQUIDATION. (a) At a meeting called to consider
6 the matter, a majority of the entire membership may vote to dissolve the
7 credit union, provided a copy of the notice was mailed to the members of
8 the credit union at least 10 days before the meeting. A member not
9 present at the meeting may, within the next 20 days, vote in favor of
10 the dissolution by signing a form approved by the commissioner and his
11 vote shall have the same force and effect as if cast at the meeting. The
12 credit union shall immediately cease to do business except for the
13 purposes of liquidation, and the president and secretary shall, within
14 five days following the meeting, notify the commissioner of intention to
15 liquidate and shall include a list of the names and addresses of the
16 directors and officers of the credit union.

17 (b) If, after issuing notice of suspension and following the pro-
18 cedures set out in sec. 330 of this chapter, the commissioner rejects
19 the credit union's plan to continue operations, he may issue a notice of
20 involuntary liquidation and appoint a liquidating agent. The credit
21 union may request a stay of execution of this action by appealing to the
22 appropriate court of the jurisdiction in which the credit union is
23 located.

24 (c) A liquidating credit union shall continue in existence for the
25 purpose of discharging its debts, collecting and distributing its
26 assets, and doing the acts required in order to wind up its business,
27 and may sue and be sued for the purpose of enforcing debts and obliga-
28 tions until its affairs are fully adjusted. The board of directors, or
29 in the case of involuntary liquidation, the liquidating agent, shall use

1 the assets of the credit union to pay, in the following order, (1)
2 expenses incidental to the liquidation, including any surety bond that
3 may be required; (2) trust accounts; (3) any liability due nonmembers;
4 (4) deposits and savings club accounts as provided in this chapter.
5 Assets then remaining shall be distributed to the members proportion-
6 ately to the shares held on the date dissolution was voted.

7 (d) As soon as the board or the liquidating agent determines that
8 all assets from which there is a reasonable expectancy of realization
9 have been liquidated and distributed as set out in this section, they
10 shall execute a certificate of dissolution on a form prescribed by the
11 commissioner and file the certificate with the appropriate recording
12 agency within the jurisdiction of this state in which the credit union
13 has its principal place of business. After filing or recording and
14 indexing, the certificate shall be forwarded to the commissioner, at
15 which time the credit union is dissolved.

16 ARTICLE 5. PROHIBITED PRACTICES AND SANCTIONS.

17 Sec. 06.40.350. UNAUTHORIZED CONDUCT OF CREDIT UNION BUSINESS. It
18 is a misdemeanor punishable, upon conviction, by a fine of up to \$5,000
19 and imprisonment for up to one year for a person, except corporations
20 formed under the provisions of this chapter or another credit union law,
21 or an association of credit unions and its chapters, to conduct business
22 under a name or title which contains the words "credit union" or a
23 derivation of them, or to represent himself in his advertising or other-
24 wise as conducting business as a credit union.

25 Sec. 06.40.355. TRANSFER OF CREDIT UNION'S PROPERTY TO PREFERRED
26 CREDITOR IS VOID. The transfer by a credit union in the state of its
27 property, money, or assets, after it becomes insolvent within the spirit
28 of this chapter, with a view of preference of one creditor over another,
29 or to prevent the equal distribution of its property and assets among

1 its creditors, is void.

2 Sec. 06.40.360. UNLAWFUL DECEIT OF DEPARTMENT OR ITS EMPLOYEES.

3 A person who wilfully and knowingly subscribes to, or makes or causes
4 to be made any false statement, or enters any false figure, statement,
5 or entry in the books of a credit union in this state, or who knowingly
6 subscribes to, makes or circulates any false report or statement about
7 the condition of a credit union in the state, with intent to deceive the
8 department or any person authorized to examine the affairs of the credit
9 union, upon conviction, is punishable by imprisonment for not less than
10 one nor more than five years.

11 Sec. 06.40.365. UNLAWFUL FALSE REPORT TO DEPARTMENT. A person who
12 certifies and subscribes any report which is wilfully false in any
13 material effect is guilty of a misdemeanor, and upon conviction is
14 punishable by a fine of not more than \$5,000, or by imprisonment for not
15 more than one year, or by both.

16 Sec. 06.40.370. RECEIPT OF DEPOSITS WHILE INSOLVENT. The director,
17 officer, or employee of a credit union who fraudulently receives any
18 deposit, knowing that the credit union is insolvent, is guilty of a
19 felony, and upon conviction is punishable by a fine of not more than
20 \$5,000, or by imprisonment for not less than one year nor more than
